BETTER THAN THEM ALL.

A moderate share of wealth is good To cheer us on our way! For it has oftentimes the power,

Or genius at our call ; But a happy, careless, loving heart, Is better than them all.

To make December May ; And so is beauty, so is health.

A heart that gathers hope and faith, From every springing flower;

And gentle summer shower : That blesses God for every good, Or whether great or small ; Oh, a happy, hop ful loving heart, Is better than them all.

Tis well to hold the wand of power. Or wear an honored name : And blush to hear the mighty world, Re-echo with our fame :

Tis well if on our path the smiles, Of kings and nobles fall ; But to have a happy trusting heart, is better than them all. A beart that with the inagic notes,

Of music is beguiled , A heart that loves the pleasant face, Of every little child : That aideth weakness in distress And beareth duty's call ;

Oh such a loving human heart. Is better then them all:
