birds could gather.

traps to the root of a large hemlock ity. tree and near by was a dense thicket of low hemlocks of about half an acre. When I visited my trap this morning I discovered one panther in my trap and outside of the trap and wounded him, and he made immediately for this thicket. I had a little whiffet dog with me, and I put the little dog into the thicket where the panther entered, and I ran around the thicket where I thought the panther would come out and met him just as he came out of the thicket. I tried to shoot him but my gun missed fire, and there we were, tace to face, and I had to run or fight. I threw down my rifle and hatchet more than twenty feet from me. We then clinched in and were up and down in every shape: he tearing away with his teeth and chewing my hands. He would sometimes have one hand in his mouth and sometimes the other. We were wrestling and tearing in this way until I was nearly done for. In one of the falls he hapest settler was two miles. I came to myself after a time, so that I killed the other panther. A straight line is the shortest in morals as well as in mathematics. Stimulate the Sluggish Kidneys, In addition to its tonic and cathartic properties, Hostetter's Stomach Ritters exercises a beneficial influences upon the kidneys and bladder, when they are inactive, by stimulating them to renewed exertion, thus reopening as it were, a sluice for the escape of impurities whose regular channel of exit is the organs of urination. Among these are certain abnormal and inflammatory elements, productive of irreparable injury to the system if not entirely expelled. The kidneys and bladder themselves are also benefitted by this stimulus, as their inactivity is usually a preliminary to their disease and disorganization. They also experience, in common with other portions of the system, the rotent invigorative effects of the litters, which furthermore corrects disordered conditions of the stomach, bowels and liver.

wels and liver. IF TOU ARE NERVOUS AND DEPRESSED TAKE HOOFLAND'S GERMAN BITTERS. E. F. Kunkel's Worm Syrup never fails to destroy Pin, Seat and Stomach Worms. Dr. Kunkel the only successful physician who removes Tape Worm in two hours, alive with head, and no fee until removed. Common sense teaches if Tape Worm can be removed all other worms can be readily destroyed. Advice at office and store, free, The doctor can tell whether or not the patient has worms. Thousands are dying daily, with worms, and do not know it. Fits, spasms, cramps, choking and suffocation, sallow complexion, circles around the eyes, swelling and pain in the stomach, restless at night, granding of the teeth, picking at the none cough, fever, itching at the sea', headache, foul breath, the patient grows pale and thin, tickling and irritation in the anus—all these symptoms, and more, come from worms. E. F. Kunkel's Worm Syrup never fails to remove them. Price, \$1 per ottle, or six bottles for \$5.00. (For Tape Worm write and consult the doctor.) For all others, buy of your druggists the Worm Syrup, and if he has it not, send to Du. E. F. Kunkell, 259 N. Ninth St., Philadelphia, Pa. Advice by mail, free; send three-cent stamp. E. F. Kunkel's Worm Syrup never fails to
