"ANAKESIS" Is an Infallible Cure for Piles. Mr. Wm. J. Andrews, of Columbia, Tenn., rites the following: Mesers. NEUSTAEDTER & Co., New York

Messra. Neustaedter & Co., New York:
Gents—For upward of 20 years I have been afflicted with the Piles. When I first took them they were blind and very painful. For about ten years they continued as blind then commenced bleeding. The hemorrhoids continued to increase until I was losing at every stool fully a gill of blood, and frequently, while standing at my desk, the blood would run down into my boots. I have had these hemorrhoids to last for several hours. In the meantime, like a drowning man, I was grasping at everything, trying to find relief. On one occasion I had them canterized, which after intense suffering for over a month, effected temporary relief, for a short time only however. About ten months since, while at stool my eye fell on an advertisement headed in large letters, "Piles," "Send 2 cent stamp stool. my eye fell on an advertisement headed in large letters. "Pili.s." "Send 2 cent stamp and get circular." I did so and received a few "Plain Blunt Færts" in reply, after reading which. I concluded it was such plain common sense that I would give "Anakesis" a trial. I did so and the result was, that after a few days use, the bleeding ceased and I have not suffered a moment's pain since. It is said that "a fellow feeling makes one wondrous kind." So, knowing quite a number of friends who were suffering like myself. I distributed quite a number of them, and from every one received a favorable report. I would not be without "Anakesis" for a hundred times it cost. To all who are afflicted with Piles I would say: "Give Anakesis a trial and you will no longer be a sufferer."

"Anakesis" is sold by all first-class drug-gista. Price \$1.00 per box. Sent free by mail on receipt of price by P. Neustaedter & Co., sole manufacturers of "Anakesia." Box 3946 New York. Samples will be sent free to all sufferers.
