Whose Body ?

The finding of the body of a dead man in a cave at Girty's Noteb, Perry county, and the claim that it was the port, writes a number of letters, relato to the finding of the body and the inquest on it, which are quite interestfar, and which we reproduce. The first me that we publish is under date of Assat 19, and reads ;

As I stated yesterday, Coroner Zinn in company with District Attorney Walhe and a jury of six men, with a aumour city-seekers, drove over to Now Buffalo graveyard, where the body entinterred, and on their way they net the friends of Albright returning com the funeral of their supposed son and brothes. Upon reaching the graveused the body was resurrected, but horand horrors, the stench was such as the the stomachs of even wold soldiars who were at hand. After the fin was brought to the surface and opened a most sickening sight greeted be ever of all. Instead of the body lying in a proper position, the head was Fand lay under the left arm, and the entire hold, was a mass of putrefaction, awhile. She went on a Monday and the day before Albright's alleged corpse mation. (as the lawyers say.) could a body de sampose in eleven days to rapidly as to Drs.
