## The Men on the Tavern Steps

Atter supper, and about half an hour

before sundown, certain villagers be- wood road one day the past week leadgin to gather on the tayern steps. The ing a little girl, perhaps four years they should never be gin to gather on the tavern steps. The ling a little girl, perhaps four years they should never be ore arrangement with three pints of spring water, set on wagon-maker, the blacksmith, the sign old. The mother sat down and litted in this respect among drovers. Some the stove to boil; skim well and add a painter, the horse doctor, and others the little one to the seat beside her. in this respect among drovers. can generally be found in the crowd. The child was nibbling at a bit of cake chairs tilted back and pipes or cigars of sugar, now and then turning her slowly, but sarely, and to reach the market in a placid, cool state. Others, alight, but the convention does not face, full of childish love up to her again, drive smartly along for some disproceed to business until a certain ar- mother, and murmuring some almost tance, and then rest to cool awhile, rival, This "certain arrival" is a fat, unintelligible words of affection. stout man with a fatherly countenance Opposite to mother and child sat an and his clothes average a little better other younger lady, who often smelled is a nexcited state, imagining that they cipe for another good broth: Take than the others. Every evening in a fresh rose which she held. The in- In an excited state, imagining that they summer he is to be found on the steps, nocent little one before her attracted then look gay; but distended nostrils, three pounds of the scrag-end of a fresh and every evening in winter he has a her attention, and the natural kindness and every evening in winter he has a chair by the big stove inside. He is the man who has traveled. He was the first Justice of the Peace in the county. If the output the budding lilly have been in it. first Justice of the Peace in the county. He gave the first dollar towards the opposite. So she leaned a bit forward if we dollars a head below what they into slices, a few branches of parsley, a and spoke : first meeting house thereabouts.

"Why sir," explains the hostler in a careful whisper, "that 'ere man can

presidents than 1 am of horses. If 1 ward temptingly : knowed what he knows I wouldn't hang around this tavern for less'n \$12 The mother heard, for she looked toper month.

As soon as the fat man gets settled back in his chair there is a general hitching around so as to face him, and with such an expressive tinge of sorrow of overdriven cattle, when shaughtered, ery head nods an affirmative; it he acceptance of the flower.

souri one way and as far as Canada the other."

The fat man now gets warmed up to his work a little. Referring to the last the of the mother, who leaned forward whenever an ox shifts his standing Fourth of July oration he tenderly selects a dozen or fifteen bad mistakes made by the orator to prove that oratory is not a trade.

"Oh! if I could only spit out the or-atory he can!" sighs the hostler as his ment. "Why, sir, if I could stand under a shed and tell about 1776 the way he can, I wouldn't take a back seat for even the man who shoots off the fire-

ries the idea that the town would be expected to subscribe liberally.

'Ah ! that's another of his curious traits, whispered the hostler, as he tures, for one moment's sight of which er, gives good returns. Do your cows feels for his empty wallet. "That 'ere that growing little one will often and drink ice water in the winter, and with man wouldn't 'low one of us to subman woundn't 'low one of us to sub-scribe one single dollar for that 'ere mouument. No, sir. He means to pay for the hull darned thing out of his of form and feather are not. For her, failure into success, to keep themselves pocket ? That's the kind of a fence- while the babbling stream may make warm. Do you feed without racks in a picket he is, sir, and why in thunder mysterions music, its dimpled waves muddy barnyard? Then the dollar that this 'ere country don't git right down and winding reaches and verdant banks on her marrow bones and beg of him do not exist.

lers to be a hostler, but I tell ye its aw. now bearing a tear on its petals! ful tuff to see a man like this, where even the man who has a mortgage on the church don't know why it is that a hand-organ knocks all the planers in town for music that melts the soul!

A lady entered a car on the Oak-MARKETING CATTLE,-Whatever time

Can Piles be Cured

is the most important question to-day with suffering millions who, when looking at the long hat of useless pile nostrums feel as the afflicted Bible Patriarch like exclaming : "I have heard many such things, maerable com-forters are ye all, how long will ye ver my soul and break me in pieces with words." It is not recorded that Job had pites, but he could not have head anything more painful, and the same recorded that Job had piles, but he could not have had anything more painful, and the same question might have been asked then as since for three thousand years : can piles be cured ? We believe that Dr. Salabee has solved the prob-lem for arbitrary for three thousand years that provide the prob-lem, for nothing is more certain than that his "Anakesis," does absolutely and promptly cure the worst cases of piles. When half a million of afflicted assert positively that it has cured them and in 20 years no one has used the doc-tor's wonderful remedy without instant relief, and by following his simple instructions as to habit and diet were, benefitted and over 95 per cent cured, all siguments and theories of those who havn't used them, go for maight. Anakesis is now prescribed by physicians of all schools and has been pronounced as near infallible as is possible. It is easily applied, perfectly safe instantly relieves pain, and ul-timately cures the most inveterate cases. It has grandly solved the problem that Piles care timately curves the most inveterals cases. It has grandly solved the problem that Piles con-be curved. Samples of "Anakesis" are sent free to all sufferers, on application to P. Neu-standter & Co, sole manufacturers of Anake-is, Box 3946 New York. Also sold by drugpists everywhere. Price \$1 per box.
