

AGRICULTURE.

A Summer Romance.

The romance of Rye Beach, this summer is the engagement of Miss Sarah Brown, a beautiful young Pennsylvania...

AGRICULTURE.

HOME MADE BONE AND DUST.

Take all the bones obtainable, either whole or ground, and place them in layers with three or four times as much stable manure...

SCIENTIFIC.

French washing.

A system of washing clothes has lately been introduced of some French towns which is worthy of special mention. It is a process...

YOUTH'S COLUMN.

Five Little Stitches.

And they were taken more than five years ago. And who should they be remembered more than thousands of other stitches taken by the same fingers...

DOMESTIC.

How to CAN FRUIT.

Glass and stone jars are the only best to use for the acids of fruit—and they can be purchased in fruit—and they can be purchased in fruit...

HUMOROUS.

Didn't Want to Disturb His Wife.

A jolly, fun-loving saloonist tells the following good story on himself—A few nights ago he went home very early in the morning...

Hunger and Thirst.

Some interesting experiments have recently been made by the medical faculty of Michigan University in order to determine the seat of hunger and thirst in the animal system...
