## A SHADOW IN THE VALLEY.

There's a shadow in the valley, Where the lilies lie asleep, Where the laughing waters murmur,

And the sweet flags droop and weep. There's a shadow in the valley, And a sigh floats in the air, Like the breath of angels resting O'er the fair scene mirrored there.

Such a shadow in the valley Brings a burden to my heart; Cannot you, too, understand it?

Have you never felt it smart ? I have watched the lilies lying, I have seen the sweet flags weep, And have wished that I, when dying, Might be laid with them to sleep.

I have heard the breezes murmur Low, soft songs within this vale; I have seen the blackbird hover O'er the lilies fair and pale, I have seen a ray of sublight Linger 'mong the reeds, at play; But the silent, creeping shadow

## THE BEST REMEDY Diseases of the Throat and Longs.

pectronal. chemically united, to insure the greatest possible efficiency and uniformity of results, which enables physicians as well as invalids to use it with confidence. It is the most reliable remedy for diseases of the throat and lungs that science has produced. It strikes at the foundation of all pulmonary diseases, affording prompt and certain relief, and is adapted to patients of any age or either sex. Being very palatable, the youngest children take it without difficulty. In the treatment of ordinary Coughs, Colds, Sore Throat, Bronchitis, Influenza, Clergyman's Sore Throat, Asthma, Croup, and Catarrh, the effects of Ayen's CHERBY PECTORAL are magical, and multitudes are annually preserved from serious CHERRY PECTORAL are magical, and multi-tudes are annually preserved from serious illness by its timely and faithful use. It should be kept at hand in every house-hold, for the protection it affords in sud-den attacks. In Whooping-cough and Consumption there is no other remedy so efficacious, soothing, and helpful.

The marvellous cures which ATER'S CHERRY PROTOKAL has effected all over the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the most sceptical of its wonderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.
