Republican Primary System.

The following is the system under which Republican Primary Elections are held: First. The candidates for the several of fices shall have their names announced in one or more of the Republican county papers at least four weeks previous to the pri-mary meetings, stating the office, and sub-ject to the action of said primary meeting. Second. The voters responding to Republi-can principles in each township or borough shall meet on Saturday, July 31, 1880, at tion, at 2 o'clock P. M., and proceed to elect

the usual place of holding the spring elecone person for Judge and two persons for Clerks, who shall form a board to receive votes and determine who are the proper per-sons to vote, and shall hold the polls open until 7 o'clock p. n. After the polls are opened the candidates announced as aforesaid shall be balloted for; the name of each person voting shall be written on a list at the time of voting, no person being allowed

to vote more than once for each office.

Third. After the polls are clesed the board shall proceed to count the votes that each candidate received, and make out the returns accordingly, to be certified to by the Judge and attested by the Clerks.

Fourth. The Judge (or one of the Clerks appointed by the Judge) of the respective election districts shall neset at the Court House in Muffintown, on Monday following last week.

Cathartic Pills

Combine the choicest cathartic principles in medicine, in proportions accurately adjusted to secure activity, certainty, and uniformity of effect. They are the result of years of careful study and practical experiment, and are the most effectual remedy yet discovered for discases, caused by derangement of the stomach, liver, and bowels, which require prompt and effectual treatment. Aver s Pills are specially applicable to this class of discases. They act directly on the digestive and assimilative processes, and restore regular healthy action. Their extensive use by physicians in their practice, and by all civilized nations, is one of the many proofs of their value are a safe, sure, and perfectly reliable purgative medicine. Being compounded of the concentrated virtues of purely vegetable substances, they are positively free from calomel, or any injurious properties, and can be administered to children with perfectsafety.
