#### AUTUMN TOKENS. that is lucky, for I have something to say to you- a question to ask."

By the golden dreamful weather, By the birds that fly together, Dark against the radiant sky, By the ellence growing deeper, By the resting of the resper, Pleasant days are drawing nigh

By the vagrant way-side brier, Flingmy far i.s tangled fire. By the forest's motley line Rousi oak and maple splendid. Holding stately court, attended as for pageant rich and fine.

By the asters, incense bringing, By the morning -glones' swinging And the spicy fragrance shed From the grape, whose purple cluster Captive holds the vivid Inster Of the sammer scarcely flad.

P.casant days are coming nearer. Days when home will seem the dearer That its sircle smaller grown, In its happy talk and langhter, Or its sigh-, low stealing after, Narrows to enfold its own.

Blithe, for music, work and study Then will glow the hearth flame ruddy, What though wil i the winds may blow ; Always there is golden woather Where true hear is are met together, Though without be storm and snow.

All the Autumn's wondrous shading, Ripened hues, and gentle fading. And the birds that southward fly. Speak to us with sign and token Say, in words we hear. unspoken, Pleasant days are drawing night

## Lotty Bancroft's Story.

I am only sixteen. I have hair that really is wouderfully black and and curly, and, big black eves. Everybody calls me handsome, and I suppose what everybody says must be true. I can play on the piano, deal of hope." sing, dance, make wax flowers and em-

broidery. In fact I'm really quite an accom-plished girl. I don't know that I ought to plished girl. I don't know that I ought to feel cut out by any one. I had the prize words that put an end to all my conceit in peet the woman whose husband you will be and is, therefore, a valuable fertilizer, order to use them as pikes. Of course, for French last quarter, and I can r.cite a moment. beautifully. So you see when Laura

Pa and ma have been away from home thing, and bid fair to be as handsome and car three years. Ma's health was delicate for three years. Ma's health was delicate for the product of the product of the woman; "now let the woman; "now let the woman; "now let the details of one was so secured to the outside of the barrel was the barrel barrel to the barrel barrel barrel barrel barrel to the barrel barrel barrel to the barrel barre for three years. Ma's health was delicate and travel was recommended. Of course 1 miss them, but ma writes that she's greatly age,

improved, and they are going to bring me home a little Geneva watch and a set of pearls, gloves from Paris, and a silk from to her," and to get out of the room. . Here comes aunty; you'd better talk Bruxelles ; and meanwhile, I am living

with my Aunt Annette. My Aunt Annette is an old maid of thirty. 1 don't think she's pretty-just ordinary, hope she would refuse him; but she did flercely.

"You're such a good-natured little soul Lotty, 'he went on, "that I'm not a bit for he looked at the visitor with a little natafraid of you. I want you to tell me the ural politeness, and was even soft enough truth, and to promise me not to laugh at to offer her a chair. me until I've gone away. It's a very serious matter to me. I-the fact is Lotty, bass voice. I think I have been a bachelor long enough, and I mean to marry, if I can. Do you think any one would have me?" "I dont see why not," I answered, feeling very nervous

tion of his sex. Early History of Minnesota.

The name of Minnesota is an Indian

name, signifying "cloudy water." Minnesota is the thirty second state in the Union. The first European who set foot 1763 this region was ceded to Great Britain, and in 1766 was explored by Captain Jona-

than Carver, a native of Connecticut. In a 1783 it was transferred to the United States, as part of the North-west Territory. In 1819 Fort Snelling was established. A few years ago, as my mother was going from Minneapolis to Mankato, she met a lady who was over seventy years old, who said

her husband was one of the first soldiers sent to the fort. She, with four other la-dies (wives of the soldiers,) visited their husbands that summer (1819) and they were five weeks going from Prairie du Chier to the fort, on flat-boats. In 1823 the first steamboat visited Minnesota. Between this and 1830, a small colony of Swiss settled at Mendota, near St. Paul. In 1838 the Indian title to lands east of the Missis-

sippi was extinguished. In 1843 a settle-ment was commenced at Stillwater, or March 3, 1849, Congress passed an act or-

Dying With His Charge.
