cation of the rising generation. It it is an henor to be entrusted with the property of children are not only instructed intellectacter of that most precious of all buman passessions-our children? We honor a man for acquisting himself well in the 5. It is not a gainful office, but, somesphere of life in which he may be called to act; and his honor is high in proportion as his duties are onerous and difficult. But what dones our he more difficult, and therefore more worthy of honor, than the realning of those young immortals who are collected in the school room? The faithful school director, therefore, stands in the foremost rank of those who deserve well of their countrymen. We are all residy to spirited men can generally be found willing place at which to have safe bills printed. praise the man who has fallon on the battlefield in defence of his cupntry, or who has successfully steered the ship of state
