The votes of each State were Georgia was reached. Mr. Springer demanded the reading of the certificates in full. The Vice President said that as it appeared that Georgia's electoral vote was cast on a day other than that fixed by act of Congress, it could not be recorded until afterwards. The count then went on. At 1:35 the count was concluded and Garfield and Arthur declared elected President and Vice President of the United States.

The Senators then returned to the Senate. The matter of counting the Georgia vote remains in abevsance.

The Population of Pennsylvania. Official-Returns From the Census Bureau.

Washington, Feb. 9 .- The Census

Bureau returns the population of Peansylvania as follows:
