### VOL. XXXV.

### MIFFLINTOWN, JUNIATA COUNTY, PENNA., WEDNESDAY, MAY 25, 1881.

AFTER ALL.

Oh, this weary world, with its restless toiling, And its fitful fever of uncessing care! Ch. this selfish world, our kindest actions

soiling,

So that our stained "Peace !" I hear the preacher-poet call,

"This world is God's world, after all-After all."

Oh, this weeping world, full of pain and sor-Full of treaking hearts that once were strong and brave,

Full of dark despair that hopes for no tomorrow. love whose memory is but a grave! on a big, old-fashioned sofa, playing with a couple of thorough bred black English And love whose memory is but a grave!

This world is God s world, after all-After all." This is God's world ; so the birds are singing, So the happy fields are glad with golden

wheat, So the sun is shining, so the flowers are springing, So the heavy heart again with joy may beat, Only listen how the strong words fall.

"This world is God's world, after all-

If 'tis God's world, why should we work weeping? Why should we go heavily by night or day?

"He giveth His beloved while they are sleep-He loves the cheerful toiler, who can say,

"I fear no grief, no wrong that can befall : This world is God's world, after all-

After all."

## The Good for Nothing.

"Richard's main fault is that he's just good for nothing," and Josiah Broadbent tapped the ashes out of his pipe in a very

"I don't believe that, Josiah, Nature does not put such a grand dome over a fine face for 'nothing." fair trial, that is all about it."

The subject of this conversation sat at an open window at the other end of the long parlors, and as the two older men looked toward him he raised his eyes from the book in his hand to follow the upward flight of a wnite-winged flock of pigeons. Rational, full, deep-set eyes, and a bright keen face, surrounded by soft, light, curly hair. Most people would have looked at ily. None of the Broadbents had ever been the least like him. Yeomen, woolstaplers, spinners and weavers, great hard headed hard fisted Yorkshiremen, what kin to them was this bright, clever youth, who looked well indeed!" like a knight just stepped out of a fairy

all the honors of his school, and when people spoke of the lad's attainments, and of routly merease the busin

But Richard showed no disposition for But Richard showed no disposition for business, and after a year of inultiess and agravating efforts to find something he agravating efforts to find something he could do in the works, the trial had been abandoned. His elder brothers 'table board whose beauty and brygars younger than either of them, and whose beauty and brygars younger than either of them, and whose beauty and brygars younger than either of them, and whose beauty and brygars in pride for twenty years. Indeed Richard's mother driving brothers' itad adopted "ditte Dock"

But Richard's showed no disposition for futuless and a year of ritualless and a almost toolatrous respect too, it was almost notative of the subject of the surface and again thrown up to the region of dogs, and an Illinois Central engineer of the sacending current is small, and, dropping down some distance, may be active to the subject of the surface of the surface of patential to the vortex by inflowing current and an almost notatives of patential to the vortex by inflowing current and an almost notatives of a patential stand for patential to the vortex by inflowing current and an almost notatives of a patential was divisited from the subject of the sacred and was of dropping down some distance, may be drifted onto the subject of the sacred and was of the parameter of parameters and an almost notatives of a patential to the vortex by inflowing current and an almost notatives of parameters and an allinois Central engineer of dogs, and an Illinois Central engineer of dogs, and an Illinois Central engineer of the sacred for the sacred and was of the parameters and an almost notatives of parameters and an almost notatives of parameters and an almost notative of parameters and an almost notatives of parameters and an almost notatives of parameters and an almost notatives of par been their pride for twenty years. Indeed Richard's mother dying at his birth, these "big brothers" had adopted "little Dick"

Were to them the most obvious representative of the majesty of English law and power.

Conceive, then, their amazement, when

ad the subject had been opened.
"Josiah," he said, gravely, "tell Stephen

Richard Broadbent no fool." "Thou must ask no questions, Josiah, tory.

ard again, but he had left his seat, and was walked to the window and watched him, and his father lifted the book ne had laid down, and with a mixture of contempt and indignation threw it aside.

At this moment Stephen Broadbent entered the room and said, angrily:

again: I'm willing enou' to let Dick play the fool i' our house, but dang me if he shall meddle i' t' squire's." "What does thou mean, Stephen?"

"I mean that our Dick an' Miss Saurham have gotten some love nonsense together. I know it. I tell thee how: Jim Harkness going home from t works has seen them meet ivery night. Now I ween't have
