LITTLE Pat Lowe's excuse for not making short work of a fie was as perfect as an excuse could be.

Liquid Fuel .- The Nauttcal Gazette

says it will soon be able to announce a wonderful stride in the mechanical appliance for using liquid fuel for generating steam in both marine and land boilers. "The matter is in the hands of practical men, who will soon de-monstrate that they can make from twenty to thirty gallons of crude petro-leum, costing 85 to 90 cents, do the work of a ton of coal, costing from and one man in the fire-room of a large steamer will perform the same service in keeping up steam that from forty to forty-five men now do. Speed the day. A saving of nearly four-fifths in the cost of fuel and of 97 per cent. in labor, to say nothing of the saving of space and weight on board steamers would be a vast economy. The saving of fuel in railroading would greatly reduce the cost of transportation of both freight and passengers, make the railways still more formidable riva's of the water-ways than they now are, and give us Americans a still greater and give us Americans a still greater advantage than we now possess in supplying Europe with food. When the prediction of the Gazette is fulfilled, we shall hear more than we have ever yet heard of diseased American meats and adulterated American flour, and we want look for still more stringent measure. may look for still more stringent measures for the exclusion of American foodstuffs from European markets. Thus the introduction of cheaper and better fuel will not be without its drawbacks, but these will be much more then compensated by the vast economy effected in cost of transportation. Be

Vegetine.

Six Bottles Every Spring SICK BEADACHE.

MINNEAPOLIS, Dec. 10, 1878. H. R. STEVENS, Boston: DEER SIR.—I had been troubled with Sick Headache as often as once a week for twenty years up to March, 1872, when I thought I would try Vego time. I took it bottles and have been troubled but very little since. I have recommended Vegetine to others with the same good results. I take a half dozen bottles every spring which keeps me all right through the year. By so doing it cleanses my blood and fortifies my system against disease for the year Yours very reasy.

Yours very resp'y, S. J. Sherman, Dispensing Druggist, 424 Nicolet Av.

Gives Me Rest and a Good Appetite.

MANSPIELD, OHIO, Dec. 14, 1878. H. R. STEVENS, Boston; H. R. STEVENS, Boston:

DEAR SIR.—I have been afflicted with Rhenmatism for twenty years. I heard a great deal about Vegetine, and was recommended by a physician of this city to take the Vegetine. I was so that I could not walk. Also had a terrible swelling in the leg, and I was cured by the Vegetine. Before taking Vegetine I was restless, and could not sleep. Since taking it, it has given me rest and a good appetite. I can highly recommend it for what it has done for me.

MISS E. A. VANTILBURG, Short M.
