MEETING OF REPUBLICAN COUNTY COMMITTEE: The Republican County Committee are requested to meet at 10 o'clock on SATURDAY, October 8, 1881, at the Jacobs House, in Mifflintown.

Republican County Committee: WILLIAM HERTZLER, Chairman. Beale—J. Kelly Patterson, Solomon McCook, Wabert p. o.

Democratic Primary Election, Meeting of Return Judges: On Saturday the Democracy held their first election under what is called the Crawford County System of nominating candidates.

On Monday at 2 o'clock the return judges met in the Court House, to count and announce the result of the election held on Saturday.

Dr. Arnold, retiring County Chairman, called the meeting to order. William Ullsh, of Fernsborough township, was elected President of the convention.

Warren Pielt, of Thompsonstown, and J. D. Conn, of Spruce Hill, were elected Secretaries, but Mr. Pielt declined to serve.

The President called for the credentials of the judges, with the vote as cast in each respective township. The vote and name of the judges were announced as follows:

JUDGES: Fernsborough—William Ullsh. Fayette—A. J. Fisher—Vote and credentials handed in by Cyrus Sieber.

Mifflintown—Jacob Sulouff. Walker—W. W. Crimmet. Monroe—Michael Hetrick.

Thompsonstown—J. W. Pielt. Delaware—David Rodgers. Greenwood—Lewis Gargill.

Susquehanna—G. W. Lyter. Patterson—John Dietrick. Millford—Wm. R. Kauffman.

Port Royal—John McFadden. Turbett—William Turbett. Spruce Hill—J. D. Conn.

Beale—Samuel S. Pannaker. Tuscarora—Anderson Martin. Lack—John Christ.

Black Log—G. W. Hoffman. For want of space this issue, the tabulated vote by townships is omitted. We can find space only for the result in sum total, or in other words, give the sum total of votes cast for each candidate.

A. J. Patterson, for President Judge, received 1065 votes. E. S. Doty was not a candidate in fact, though some one had his name irregularly announced; however, a number of votes were cast for him, but as in some of the townships there was no returned and reported, there is no data at hand to tell how many votes were cast for him.

For Associate Judge, George Jacobs received 554 votes; Thomas Murphy received 466 votes; Thomas Coder received 221 votes; James W. Hamilton received 74 votes; James Cox received 205 votes; O. P. Barton received 420 votes; Samuel McLaughlin received 121 votes; J. J. Rhine received 328 votes.

For County Commissioner, David Diven received 1213 votes; David Partner received 1203 votes; G. W. Lyter received 16 votes. For Treasurer, H. S. Scholl received 496 votes; S. B. London received 290 votes; J. M. Copeland received 417 votes; J. B. M. Todd received 59 votes.

For Probationary, B. F. Crozier received 780 votes; George Reynolds received 470 votes. For District Attorney, Jacob Beidler received 715 votes; Slater Allen received 538 votes.

For Auditor, Robert E. McEwen received 1249 votes; William McConnell received 1127 votes. For Chairman of County Committee, W. D. Walls received 1141 votes.

Ten votes were cast for Mr. Barnett, of Bloomfield, Perry county, for President Judge, but they were irregular, and like the vote for Mr. Doty, could not be considered.

Three votes were cast for Mr. Lighter, for Auditor, but Mr. Lighter, like Mr. Doty and Mr. Barnett, was in point of fact not a candidate before the people of the party. It was the most orderly Democrat-

ic convention that ever assembled in Juniata, and the Democracy itself could scarcely realize the change, and that it was all brought about by a change in the system of nominating candidates.

SHORT LOCALS.

"Big bonnets." Fat cattle are scarce. Squirrels are plenty. Re-union on the 6th. Many people have chills. Water for milling is low. Rabbits may be killed next month. The great drought year, 1881. For a new suit go to Harley's. Dealers sell potatoes at \$1.40. Farmers sell potatoes at \$1.00. Marriage insurance is on the increase. Congressman Fisher is in poor health. The fair will be held about the 21st inst. A common demand—Hang Guitan. Perry county re-union on the 12th. Wheat is showing itself above ground. David Watts has been quite sick with malaria. Bedford county people ship grazing to Japan. Post Master Books has been afflicted with chills. Fishermen say, worms no longer grub in the bass. Pasture for cattle is about exhausted in Juniata. The failure of late pasture will put up the price of hay. Gum boots and shoes at Heck's for everybody. The 84th will hold a re-union on the 20th of this month. Cabinet-makers for President Arthur are numerous. Benjamin Byers, is repairing his house. Much of the ground sown to wheat is rough. To be crowned with a hat go to Parker's. P. D. Hamlin is repairing his house on Main street. Presbytery is in session in Spruce Creek Church. Former Brothers make of shoes at Heck's. They cannot beat for wear. Clothing for men and boys, at satisfactory prices, at Strayer's. Read account of the outrages of Jeff Adams in Ohio, in another column. Ladies button shoes as low as \$1.25 a pair at Heck's family boot and shoe store, Bridge street. Judge Elder and several members of his family have been sick with malaria. General James A. Beaver will be here on Re-union day and deliver an address. Jacob Thomas and a Jersey man shipped by rail a lot of cows on Monday. S. V. M., Richfield.—Manuscript top late for this issue; will appear in next. A nice gent's button shoe, kid top, calf fixing made to order for \$5.00 at Heck's. Lost—A red cow, with horns turned inward. Address John Emery, Mifflintown.

Mr. Banks Wilson has gone to Rock Island to visit his brother, Judge Adams. B. F. Books took his departure on Monday to attend medical lectures in Philadelphia. Mrs. Garfield is at her home at Mentor, Ohio. The two older boys have returned to College. Guitan has been hung in effigy in many places. What is needed is a legal execution of the assassin. Rev. Benagh was assisted in the administration of the Communion service last Sabbath by Rev. Mr. Oliver, of Academia. Ladies' genuine calf-skin shoes, high cut and nicely made, for \$2.00, at Heck's. Communion service in the Lutheran church in this place next Sabbath. Preparatory services on Saturday evening. A number of farmers have not yet completed their wheat sowing. For all that is known, the late sowing may prove to be the best. The Democratic State Convention nominated Orange Noble, of Erie, last week, as a candidate for State Treasurer. Children's spring-heel in kid or goat, at Heck's Family Boot and Shoe Store, Bridge street. People that do not often get to town, will want to come on Re-union day. They will want to see Graybill's stock of furniture. Ladies should know that Ayer's Hair Vigor is a superior and economical dressing. It has become an indispensable article for the toilet. The songs that appear in this issue of the Sentinel and Republican are the songs that will be used on Re-union day. The best preparation known in market for restoring gray hair to its original color is Hall's Vegetable Sicilian Hair Renewer. Heck keeps nothing but boots and shoes, but he keeps a large stock, and it is no trouble shoe it. Any man can be a blackguard and say rough things against neighbors, but the right kind of people do not blackguard their neighbors. People about town no longer talk about Venor as the best weather prophet; they talk about Showers. They have more faith in Showers than in Venor. Heck's new Shoemaker from Harrisburg knows how to make a neat and good boot or shoe, and he does it. The Brethren of the Lost Creek church in Juniata county will hold their love-feast on the 11th and 12th of October, at the Free Spring church building, in Walker township. Ladies it will not cost you anything to call in and see those nice kid button shoes at Heck's, Bridge street. The light of the fire of the burning of a large barn at Millersburg, Dauphin county, on Wednesday night of last week, was plainly seen from this place. Some of the young men that will visit upon Re-union day, will want to be measured for a top-top suit of clothes, and they will call on Squire London for that purpose. If you want your boots or shoes nicely mended, so that they will look almost like new ones, take them to Heck's. His new shoemaker is the man to do it. Yes he is. When President Arthur visited New York, police officers were near his person all the time when he appeared in public. Just what may be expected from the constant talk of assassination.

Have you tried a pair of those \$1.00 shoes at Heck's Bridge street. They are an unusually good shoe for the money. At 7 o'clock on Thursday evening the Millin Accommodation train will leave this station for Port Royal. The time of the leaving of the train was made to suit the people from Port Royal and lower Tuscarora who cannot find it convenient to remain for the Re-union ceremony in the evening. The Lewistown Sentinel of last week says: During a thunder storm on Monday evening the house of Mrs. Elizabeth Zook in Menno township was struck by lightning. The current passed down the chimney and into the kitchen, stunning the family. Fire was discovered on the garret but was promptly put out with a bucket of water. The best boot to wear and to keep out water is the celebrated original Keystone boot, sold only at Heck's family boot and shoe store, Bridge street. Every pair warranted. Last Saturday some one put fire in a tree near the Dunker church, at Crook Spring, in Walker township. The fire got out into the woods, and great damage would have been done had it not been for a meeting that was then being conducted in the church. The meeting was adjourned, and about sixty men turned out to extinguish the fire. It took several hours of hard work to put the fire out. It is not true that General Silas Milton Bailey was instructed to vote for Blaine, and then voted for Grant at Chicago. He was for Grant all the time; he was one of the 306 that stood by the General. It was his right to do so, and no censure can be justly laid to his door for voting as he did.

Complicated Diseases. A prominent gentleman in Cerro Gordo county, Iowa, writes us that he finds Kidney-Wort to be the best remedy he ever knew for a complication of diseases. It is the specific action which it has on the liver, kidneys and bowels, which gives it such curative power, and it is the thousands of cures which it is performing which gives it its great celebrity. Liquid, (very concentrated) or dry, both act efficiently.—N. H. Journal and Courier.

Patterson Council, No. 200, O. U. A. M. MIFFLINTOWN Pa., Sep. 24, 1881. At a regular meeting of the above named council, a committee was appointed to adopt resolutions expressive of their sorrow on the death of our Chief Magistrate in consequence of an infamous crime. The committee submits the following. WHEREAS, we in general with the people of this nation and other countries, are called upon to mourn the death of the President of the United States in the hands of a cowardly assassin.

Resolved, That we deeply deplore this sad event to the American people, and words cannot express our chagrin towards the cowardly assassin, whose heart is one of treachery, who, when he struck down the man to whom the destinies of this nation were in part committed, also struck a blow at all its people, and one dangerous to its institutions. Resolved, That we extend our warmest sympathy and heartfelt sorrow to the family of our much lamented President in this, their deep affliction, and woe. "He who tempers the wind from the storm lamb" be their strength at this time when earthly strength can be for naught. Resolved, That these resolutions be entered on the minutes of this council, and also be published in the several county papers.

Wm. M. CRAWFORD, S. B. LOUDON, H. WOODMANSEE, Committee. His Last Dose. Said a sufferer from kidney troubles, when asked to try Kidney-Wort. "I'll try it and it will my last dose." The man got well, and is now recommending the remedy to all upon the kidneys and liver bringing disease was pain. Kidney-Wort is the true remedy. It removes the cause and cures the disease. Liquid (very concentrated) or dry act equally efficiently.—Am. Cultivator.

There is more strength restoring power in a bottle of Parker's Ginger Tonic than in a bushel of malt or a gallon of milk. This explains why invalids find it such a wonderful invigorant for mind and body. See other column. The Juniata County Agricultural Society will hold their twenty-first annual exhibition at their grounds in Port Royal, on Wednesday, Thursday and Friday, the 12th, 13th and 14th days of October, 1881. Joseph Rorrock, President.

A GARD. I am prepared to furnish the best make of needles, shuttles, and new parts for ANY Sewing Machine, (old or new), in the market, also, the best pure sperm machine oil. W. H. AIKENS, Main street, Mifflintown, Pa., One door above Post-Office.

The Battle-Cry of Freedom.

1. Yes we'll rally round the flag, boys, we'll rally once again, Shouting the battle-cry of Freedom, We will rally from the hill-side, we'll gather from the plain, Shouting the battle-cry of Freedom. CHORUS. The Union forever, Hurrah, boys, Hurrah! Down with the traitor, up with the star; While we rally round the flag, boys, rally once again, Shouting the battle-cry of Freedom.

2. We are springing to the call of our brothers gone before, Shouting the battle-cry of Freedom, And we'll fill the vacant ranks with a million Freeman more, Shouting the battle-cry of Freedom. CHORUS. 3. We will welcome to our numbers the loyal, true and brave, Shouting the battle-cry of Freedom, And although he may be poor, not a man shall be a slave, Shouting the battle-cry of Freedom. CHORUS. 4. So we're springing to the call, from the East and from the West, Shouting the battle-cry of Freedom, And we'll hurl the rebel crew from the land we love the best, Shouting the battle-cry of Freedom. CHORUS.

America. 1. God bless our native land! Firm may she ever stand Through storm and night; When the wild tempests rave, Ruler of winds and wave, Do thou our country save, By thy great might. 2. For her our prayer shall rise To God above the skies, On him we wait; Thou who art ever here, Guardian with watchful eye! To thee alone we cry, God save our State. 3. Our fathers' God! to thee, Author of liberty, To thee we sing; Long may our land be bright With freedom's holy light; Protect us by thy might, Great God, our King!

Marching Through Georgia. 1. Bring the good old bugle, boys! we'll sing another song— Sing it with a spirit that will start the world along— Sing it as we used to sing it, fifty thousand strong, While we were marching through Georgia. CHORUS. Hurrah! hurrah! we bring the Jubilee! Hurrah! hurrah! the flag that makes you free! So we sang the chorus from Atlanta to the sea, While we were marching through Georgia. 2. How the darkeys shouted when they heard the joyful sound! How the turkeys gobbled which our Commissary found! How the sweet potatoes even started from the ground! While we were marching through Georgia. CHORUS. 3. Yes, and there were Union men who wept with joyful tears, When they saw the honored flag they had not seen for years; Hardly could they be restrained from breaking forth in cheers, While we were marching through Georgia. CHORUS. 4. "Sherman's dashing Yankee-boys will never reach the coast!" So the sassy Rebels said; and 'twas a hard-some boast— Had they not forgot, alas! to reckon with the host, While we were marching through Georgia. CHORUS. 5. So we made a thoroughfare for Freedom and her train, Sixty miles in latitude—three hundred in the main; Treason did before us—for resistance was in vain, While we were marching through Georgia. CHORUS. Tenting on the Old Camp Ground. 1. We're tenting to-night on the old Camp ground, Give us a song to cheer Our weary hearts, a song of home, And friends we love so dear. CHORUS. Many are the hearts that are weary to-night, Many are the hearts looking for the right To see the dawn of peace. Tenting to-night, Tenting to-night, Tenting on the old Camp ground. 2. We're tenting to-night on the old Camp ground, Thinking of days gone by, Of the loved ones at home that gave us the hand, And the tear that said "Good-bye!" CHORUS. 3. We are tired of war on the old Camp ground, Many are the dead and gone, Of the brave and true who've left their homes Others been wounded long.—CHORUS. 4. We're being lighted to-day on the old Camp ground, Many are lying near; Some are dead, and some are dying, Many are in tears. CHORUS. Many are the hearts that are weary to-night, Wishing for the war to cease, Many are the hearts looking for the right To see the dawn of peace. Dying to-night, Dying to-night, Dying on the old Camp ground. MANY miserable people drag themselves about with failing strength, feeling that they are sinking into their graves when Parker's Ginger Tonic would begin with the first dose, to bring vitality and strength back to them.—Sun.
