countrymen as a place of peculiar sanctity, far as to suppress the ancient polytheistic rites. This well is close besides the Casba or Square House, the chief sanctuary of the

dohammedan world.

The princes of Islam maintain at Mecca keepers of the Holy Well, who annually supply them with water to be used on great ccasions and in great emergencies, as when stricken with disease. Every pilgrim Mecca-and thousands come thither from all countries-visits the well and is purified by drinking the water or pouring it over his person, or both. The water is described as unpleasant in taste and cathartic in effect—qualities which are now to be accounted for without recourse to sweeter than all others. There is one
