mily.

The latter consisted of his only and daughter, Hubert, named of course after himself, was in the second year at West Point; the wife was dead long ago and Geraldine presided over his house-

One reason, why, perhaps, there was such a strong affection between father to the momentous subject which was and daughter was because they were so really the cause of her being there. much alike. She was high spirited, as independent and as proud as he. She was as beautiful as an houri, with her wealth of jet black, waving hair, her brilliant complexion, her marvelous eyes, her matchless figure, her patrician, features, and her wonderful grace voice and manner.

Geraldine had numberless admirer and devotees. Many from the North where she had spent a couple of years. and her own sunny South produced my rinds but she seemed to care for none of

The Colonel used to chide her at tim for the repeated snubbings she gave her callers, without regard to their social position and standing. She would leave them at any time, and go with her fa ther on a tramp through the woods or tishing in the river.

After all, there is nothing so captivating in a pretty woman-or any woman, for that matter-as an absolute indepen dence which preserves one's self-respec at all times, and humbles the pride of the proudest of the lords of creation, It is just that sort of woman that all are most auxious to secure for a prize.

firm voice.
"Come here, my child!"
The Colonel kept his seat, while Ge One summer afternoon, Geraldine and her father were sitting in the shade of the long, low porch which extended in front of their house. The colonel smok- down in his face. He took her hand af ing his eigar, and the daughter who was fectionately, while he asked: richly dressed, was gently rocking back and forth, and looking off at the yellow Mississippi, along which a high decked steamer, was laboriously plowing its

A close observer would have seen that the beautiful daughter had some trouble on her mind. She was uneasy and restless. The swaving of her chair was fitful and uneven. Sometimes she smelled of the fragrant sprig of magnolia, in her hand in a zervous way, and her lustrons eyes seemed to be brighter and more flashing than usual.

But the colonel noticed nothing; for he knew the superb poise of his daughter so well, that he did not believe anything short of an earthquake could disturb it.

So he continued placidly smoki his eigar, while his paper rested idly in his lap, and he looked off toward the

Suddenly he rose up. "Where is Sydney?" he abruptly
