J. Townsend, of Strassfurt, prepares chlo-rine by mixing a heated solution of mag-nesium chloride of 40 deg. to 50 deg. Baume with about ten per cent of manga-A Thorough Job. HUMOBOUS. DOMESTIC. AGBICULTURAL. Judge M_____, a well-known jurist living near Cincinnati, was four of rela-ting this anecdote: He once had occasion to send to the village for a carpenter, and no object if salary is satisfac ols. "I want this fence mended to keep out We believe it is the style to tempt for things that are old. Not so, however, with Dr. Bull's Cough Syrup, which has stood the popular test of 34 years' use, and is more thought of than ever before. the cattle. There are some unplaned boards-use them. It is out of sight of the house, so you need not take time to make it a neat job. I will only pay you \$1.50." The judge went to dinner, and, coming out, found the man planing each board. TIMBER placed in contact with stone can out, found the man planing each board. Supposing that he was trying to make a costly job of it, he ordered him to nail them on at once, just as they were, and the boards were planed and numbered the boards were planed and numbered ""I told you this fence was to be cover-ed with wines." I he stid anarily "Los of a thin plate the boards were planed and numbered ready for nailag. "I told you this fence was to be cover-"I told you this fence was to be cover-ed with vines," he said, angrily. "I do not care how it looks." "I do," said the carpenter gruffly, "arefully measuring his work. When t was finished there was no part of the lence so thorough in finish. A sab young poetess of Michigan sends us a rhyming wall about the "bare brown fields and naked trees." Young woman, you'd better send the poem to the Police Gazette, and let them illustrate it. It would be a bonanza for them, but we can't use it in a family paper. ed with vines," he said, angrily. "I do not care how it looks."
