Is a compound of the virtues of sarsapa-rilla, stillingis, mandrake, yellow dock, with the iodide of potash and Iron, all powwith the iodide of potashand fron, all powerful blood-making, blood-cleansing, and life-sustaining elements. It is the parest, safest, and in every way the most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so valuable a remedy, nor othe se potent to curo all diseases resulting from impure blood. It cures Scrofula, and all scrofulous diseases, Erysipeias, Rose, or St. Anthony's Fire, Pimples and Facegrubs, Pastules, Blotches, Bolis, Tumors, Tetter, Humors, Sait Rheum, Scald-head, Ringworm, Ulcers, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Jaundice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood, and cause de-rangement and decay. It stimulates and enlivens the vital functions. It promotes entivens the vital functions. It promotes energy and strength. It restores and preserves health. It infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from integrity of the blood need despair, who will give Aten's Sansapanula a fair trial. Remember, the earlier the trial, the speedier the care.

For nearly forty years Aven's San-sapazzilla has been widely used, and it now possesses the confidence of millions of people who have experienced benefits from its marvellous curative virtues. Prepared by Dr. I. C. Ayer & Co., Practical and Analytical Chemists,
