The marvellous cores which Aven's CHERRY PRETORAL has effected all over

the world are a sufficient guaranty that it will continue to produce the best results. An impartial trial will convince the post

sceptical of its wenderful curative powers, as well as of its superiority over all other preparations for pulmonary complaints.

Eminent physicians in all parts of the

country, knowing its composition, recom-mend Avan's CHERRY PROTORAL to inva-fills, and prescribe it in their practice. The test of half a century has proved its

complaints not already beyond the reach
