It is the purest, safest, and in every way the most effectual alterative medicine known or available to the public. The sciences of medicine and chemistry have never produced so value. ble a remedy, nor one so potent to cure all diseases resulting from impure blood. It cures Scrofula, and all scrofulous diseases, Erysipelas, Rose, or St. Anthony's Fire, Pimples and Facegrubs, Pustules, Blotches, Boils, Tumors, Tetter, Humors, Salt Kheum, Scald-head, Ringworm, Uters, Sores, Rheumatism, Mercurial Disease, Neuralgia, Female Weaknesses and Irregularities, Janndice, Affections of the Liver, Dyspepsia, Emaciation, and General Debility.

By its searching and cleansing qualities it purges out the foul corruptions which contaminate the blood, and cause derangement and decay. It stimulates and enlivens the vital functions. It promotes energy and strength. It restores and preserves health. It infuses new life and vigor throughout the whole system. No sufferer from any disease which arises from impurity of the blood need despair, who will give Ayre, Sansaparaticle. A fair will give AYER'S SARSAFARILLA a fair trial. Remember, the earlier the trial, the speedler the cure.

Its recipe has been furnished to physicians everywhere; and they, recognizing its superior qualities, administer it in their practice. For nearly forty years Aven's San-sapamilla has been widely used, and it now possesses the confidence of millions of people who have experienced benefits
