fostering a little curiosity, and I waited with some impatience for the new- me in the hall and said: comer's appearance. But she did not come and as William did and the teabell rang I proceeded to the dining-

The long table was nearly filled and tea was half over when a girl appeared in the doorway, and no one noticing her tor an instant said in a bright and charming voice:-

"Will you give me a seat?" Then the little maid servant whom she addressed turned and placed her opposite me. I cannot begin by any scription to tell how pretty she was. She had that plump, peach blossom beauty which reminds one so irresistably of summer bloom and brightness, Her eyes were large, brown and appealing, rings, and when she looked down the long lashes rested on her sheeks, and secret?" made her prettier than ever. I could see that the eyes of the gentleman were furtively directed toward her, and knew

To cut the story of several days short. we did not succeed for that length of time in making her acquaintance, I learned from Maggie, the chambermaid, that her name was Miss Archibald, and that she had come to the city for a visit, choosing number twelve as a visit, choosing number twelve as a married in three weeks. stopping place because her father had "So that was why you had so known Mrs, Ford, the landlady before she moved to Boston.

look at any of us.

For several days, as I said, she came none of us the chance even of saying "Good-morning," until it happened that her eyes met mine by change, and I said it boldly. Then the ice was broken, That noon when William came to dinner he lingered in my room before going down, and said finally:

"Smith says you were lucky this morning. Smith is the bank cashier, who sits

at the end of the table. "Why?" asked I curtly, breaking my

thread, although I knew well enough "Because you have had the first for her to go down on the same train lie is the nurse, and her engagements what he meant, chance of speaking to Miss Archibald."

"Small honor!" said I, curtly.
"Well, I don't know," said William.
"Mell, I don't know," said William. "It depends on what you consider an William pushed back his chair and left honor," and by that I knew he was as the room, but only Timmins could not much interested in Miss Archibald as be satisfied.
"The gentleman to whom she
