expensive. Mr. Jefferson spent more than \$400,000 in constructing and beautifying this place, and its care and cost were a very great burden to him. The house contains the using meats every week or two. If the laying nests every week or two. If one should say all this is very troublesome we reply, it is the price of success and of the flower lovers of the house old can feel free to cut as they please. Fowers thirty-five rooms. In front it has the sp be paid. Scabs on the legs may be cured in masses, and ribbon lines, or as specipearance of a low building, but the rear is very high. There is a grand entrance hall, a saloon fitted with Louis XiV, glass, a ball room, a dining room, a tea-room and a breaktast-room. Two of the rooms the scales with a small stiff paint brush between the scales with a small stiff paint brush and may be prevented by keeping the perches smeared occasionally with it. To save all sorts of vines from the ata can room, a tuning train, Two of the rooms are known as the Madison and Monroe rooms on account of their frequent occu-pancy by them on their long vis to to Mr. There is no use in trying to drive the yel-Jefferson. On each side of the mantel-pieces in the grand dining-room are little injured half the plants in your patch. It alyssum, sweet peas, stocks, China asters, the annual pinks, and a host of others. dumb waiters, on which food and drink were sent up from the kitchen and cellars. The ball-room is a large rotunda, and there wines frequently, and just as soon as they are galleries for pictures. At the front of the house are columns, six feet high, sup-porting the east and west portice. The with a weak solution of carbonic acid, or

Dabney Carr were tchoolmates together. They determined that both should be bur-little pieces of boards, shingles, etc.; which led there. When Dabney Carr died Jeffer- you may place among your vines, so you son was in France, but on his return he will know where to look for the pests. found that Carr's remains had been buried at Shadwell. Mr. Jefferson had them removed to Monticello. That was the origin of the family burying ground. Jefferson out a part of the fruit on a tree improves the quality of that which is left, the only this death left written directions for his deletion being the additional labor reburist there. He gave special directions objection being the additional labor reburial there. He give specific infections for the size and shape of his monument. In the same graveyard lie the bodies of his wite, Mrs. Eppes, Mrs. Martha Jane Ran-delph, his daughter, Col. Thomas Jefferson Randolph, his grandsor, and those of many of the families of the Dukes, Ran-delphs, Ruffins, and ther relatives. Mr. Jeff root's monument at present is the same specimens when fully grown and carefully assuring them by re-jecting such as are unfertor. Frut that is the ready when when we can be and the such as the transfer and carefully assuring them by re-provent brasing, as is the case in hand-picking, the same specimens when fully grown and carefully assuring them by re-jecting such as are unfertor. Frut that is the brasing of the bukes, Ran-dolpts, Ruffins, and ther relatives.

Mr. Jefferson's monument at present is a plain obelisk six feet h gh, mounted on a no assorting, the inferior, imperfect and two tablespoorfuls of farina or potatoes; stire granite. Time and the vandal zeat of relic hunters have maried the monn-ment somewhat, but it is soon to be re-placed by another. Congress recently ap-propriated \$10,000 to purchase a new monument, which is being constructed under the superintendence of Lengt (b). under the superimendency of L cut -Col. Fixe butter can only be obtained by Casey. A former appropriation of \$5,000 charming at a favorable temperature. FAMILY MEDICINE. SILVER CREEK, N. Y., Feb. 6th 1880, JANUARY 1, 1978.

MR. R. H. STEVENS: Dear SIT-I take pleasure in saving that I have used the Vegetime in my family with good results, and I have known of several cases of remarkable cure effected by it. I regard it as a valuable fami-ly medicine. Truly yours, HEV, WM. McDONALD. The Rev. Wm. McDonald is well-known through the United States as a minister in the M. E. Church, MR. R. H. STEVENS: GENTS-I have been very low, and have tried everything, to no advantage. I heard your Hop Bitters recommended by so many, I concluded to give them a trial. I did, and now am around, and constantly improving, and am nearly as strong as ever. W. H. WELLER.
