TRUE REPORTS.

The street rumors that Mr. Morrow was not a candidate for the office of Sheriff in good faith, but only a candidate to carry out a bargain to get Mr. George Shively, before the voters of the county, at the general election, are proved to be true reports, by the following disavowal sent to Mr. Hertzler, Chairman of the Republican County Committee; WILLIAM HERTZLER, CHAIRMAN of Republican Co. Committee.

Dear Sir:—Thankful as I am to the gallant Republicans of Juniata for the unmerited honor they have conferred upon me by making me their candidate for Sheriff at the ensuing election, duty to a large and respectable portion of the citizens of Juniata compels me to decline the same at this time in favor of that true and tried opponent of "bossism" and personal domination in county affairs, George Shively, of Fayette, who has been nominated by the Independent Democrats of Juniata as their candidate for that office. I recognize the debt of obligation the Republicans of Juniata owe to him for his gallant and manly conduct in the past and trust that the Republican Co. Committee will adopt him in my place on our county ticket, feeling certain that it will meet the approval and hearty support of the majority of the citizens of Juniata, irrespective of party, and be triumphantly ratified at the polls on the 7th of November next, and thus "bossism" be forever crushed in Juniata.

Very Respectfully, H. H. Morrow.

Hertzler's Committee met in Footman's hotel, last Thursday afternoon and accepted Mr. Morrow's letter of resignation, and resolved that the name of Mr. George Shively should take the place of Mr. H. H. Morrow resigned. Mr. Shively takes the place of Morrow in the following address:

To the Citizens of Juniata County. At the solicitation of numerous Democrats throughout the county, and also because of the endorsement of the Republican County Committee, I hereby announce myself as a candidate for Sheriff. If elected, I shall devote my best energies to the proper discharge of its duties, and hope to merit the commendation of my fellow citizens. GEORGE SHIVELY

Action of the Democratic County Committee.

WHEREAS, A disgraceful political alliance has been consummated between the Machine Republicans of this county and certain trading element in the Democratic party, by the retirement of Morrow, the trickery candidate of the former for the office of Sheriff, and the substitution in his place of Shively, the Democratic ringleader and tool of the Republican bosses—the consideration on both sides being the spoils of office, and the primary object of the election of a Cameron henchman to the Legislature and

WHEREAS, The direct tendency of such tricks is the perpetration of the loss and spoils systems and the substitution of the offices of the people, so that they become the mere perquisites of trading politicians; and

WHEREAS, By the palidic course of J. Clod Gilson, the Democratic candidate for the office of Sheriff, in voluntarily returning to his party the nomination which they with such unanimity had conferred upon him, the opportunity is now offered to secure an honorable union of the free and untrammelled voters of Juniata county, irrespective of party, in support of a common ticket, upon a platform of uncompromising opposition to the offensive and selfish dictation of the Confederate bosses, who have usurped the sovereign right of the people to make nominations and say who shall fill the public offices of the county; and

WHEREAS, David S. Landis, one of the recent martyrs of Republican manly independence and honor, has announced himself as an independent candidate for the office of Sheriff, and has appealed from the decree of the boss and the fraud and caligatory tribunal of the people; and

WHEREAS, We recognize in Mr. Landis an honest and capable man, possessing all the Jeffersonian qualifications for office; man devoted to the cause of political freedom and reform, and deserving the cordial support of all good citizens in his brave battle against the Republican Machine and its corrupt allies; therefore,

Resolved, That we, the members of the Democratic Committee of Juniata county, regretting the unhappy circumstances which have induced the declination of Mr. Gilson, and his subsequent action in yielding everything to the good of the party, and the people, do accept such declination; and do hereby declare that public offices recognizing the principle that public office are the property of no party, but are public trusts equally open to every honest and capable citizen, we call upon the Democratic voters of Juniata county, and all other good citizens of Juniata Co. to cast their votes for David S. Landis, as a candidate for Sheriff, a hearty, active and united support.

Resolved, further, That the name of David S. Landis be placed upon the Democratic ticket for Sheriff, and that these tickets be distributed among the Democratic voters of the county. HENRY S. SCHOLL, Chairman. J. W. DECKARD, Secretary.

ADDRESS.

D. S. Landis, to the people of Juniata County.

Republicans and fellow citizens of Juniata County. Early last summer, I concluded to become a candidate for the office of Sheriff. Having been a Republican all my life, of course the Primary Election Laws of that party were the channels through which I would be compelled to seek the votes of the people for the office to which I aspired. I was regularly announced, according to the written law of the party. In the contest at the Primary Election, I was defeated by Mr. H. H. Morrow, and he became the candidate for the office of Sheriff, through the rules of the Republican party. But on the 3rd day after the result of the primary election was announced by the Return Judges, Mr. Morrow handed in his resignation, or declination of the nomination to the Chairman of the Republican County Committee. At the primary election I was the only competitor that Mr. Morrow had and if the Committee had the right to fill the place made vacant by his resignation. I was the only person that they had the right to select to put in the vacant place for I had already been regularly announced and been voted for by people of the party. But the few men that are endeavoring to destroy the primary election laws that were adopted by a vote of the people of the party, and which can only be set aside or destroyed, or amended by a vote of the people of the party, did not even notify me of the resignation of Mr. Morrow. But they in violation of all primary election laws, proceeded to form a combination with a number of other men, to declare a man that was not before the people at the primary election, and who did not receive a single vote at said election as the man of their choice, to fill the vacancy created by the resignation of Mr. Morrow. He and his co-workers are usurpers of all the primary election laws that were enacted by, the highest authority, that of a vote of the people. If such usurpation were to take place in the Government, the nation would be in arms within 48 hours. I owe it to my own self respect. I owe it to the Republican party of Juniata county, and I owe it to the Republicans that voted for me to stand up for the common rights of us all, to resist the attempted usurpation, and the overthrow of the primary election laws. Under no circumstances of the case could I have become a candidate if Mr. Morrow had remained the standard bearer for the office of Sheriff. His immediate withdrawal after nomination from the candidacy, is convincing proof to hundreds of people that he never was a candidate in good faith, but was only a cloak candidate to hide or cover Mr. Shively, till all the arrangements of the men in the trade had been completed. Their trade is binding on no one. Their work is a rope of sand, for there is no power given by the primary election laws to one man, a dozen men, or a committee of twice or three that number to set up a candidate that has not been regularly announced or voted for at the primary election. The traders have trampled under foot the election laws of both the Republican and Democratic parties. Would such work be tolerated anywhere outside of Juniata County? After Mr. Morrow's withdrawal, I became the candidate of the Republican party by virtue of the fact that I received the second highest vote cast by the people of the party on Saturday, October 21st, 1882, and I hereby announce that in consequence of the withdrawal of Mr. Morrow, I will remain as a candidate for the office of Sheriff of Juniata County, till the contest will have been decided at the polls under the laws of the Commonwealth on the 7th day of November 1882. Mr. Gilson who was the candidate for Sheriff at the Democratic primary election, and who had no competitor with a second highest number of votes, to resign in favor of, has resigned in my favor, and I therefore am the representative of the regular organizations of both parties that are working under written primary laws, for the office of Sheriff.

All of which I respectfully submit to my fellow citizens of Juniata County.

DAVID S. LANDIS.

J. Clod Gilson's Letter of Withdrawal.

To the Democratic voters of Juniata County:

Although I was unanimously nominated at the recent Primary Election for the office of sheriff by the Democracy of Juniata county, and as the nominee of that party I am fairly entitled to the cordial support of all Democrats; yet my defeat, as well as the defeat of a Democratic member of the Legislature, and the whole Democratic county ticket is threatened by a combination of professional Democrats with the "Ring Republicans" of this county. Grateful to the Democrats of the county for their kind endorsement, however, upon mature deliberation, I have decided to decline the honor which they have conferred upon me, in the hope that thereby some way may be found to defeat the nobly conspiracy, and especially to prevent the election of a Cameron ringster to the Legislature from Juniata county. In my opinion such a result can only be attained by all good citizens, regardless of party, making common cause against the machine bosses in the Republican party and their allies professing to be Democrats; and, believing that, that end can be best subserved by my retirement from the ticket and the substitution in my stead of that brave and honest Independent, David S. Landis, who was recently so shamefully sacrificed by machine trickery and Republican boss dictation, I respectfully tender you my declination, and assure my fellow Democrats that no honorable effort will be wanting on my part to bring victory to our righteous cause.

Very truly yours, J. CLOYD GILSON.

"Fortune has not smiled upon you—you are poor!" "Rich in your love; poor only in purse." "Yet all hope is not lost. Father is president of a bank. He will give you a situation." "Then I am yours eternally. We shall be married in three months. In six months the bank will be in the hand of a receiver. We shall seek a home beyond the St. Lawrence, where the old man can live with us under the name of Snook."—Brooklyn Eagle.
