## Oh, My Back!

That's a common expression and has a world of meaning. How much suffering is summed up in t.

The singular thing about it is, that pain in the back is occasioned by so many things. May be caused by kidney disease, liver complaint, consumption, cold, rheumatism, dyspepsia, over-work, nervous debility, &c.

Whatever the cause, don't neglect it. Something is wrong and needs prompt attention. No medicine has yet been discovered that will so quickly and surely cure such diseases as Brown's Iron Bitters, and it does this by commencing at the foundation, and making the blood pure and rich.
