marvels of elequence and inspiration, and coarse file. Office, Ra'ph Sheiden. Wat, Barian, the stock to tramp them when muddy. Attorney General, is standing off there with Jim Morris, types of two different kends of intellect. You must not be surprised to be introduced to these gentlemen s man in this county who would call Senator Beck anything but "Jim" or Captain Blackburn anything but "Joe." He don't care a straw that Beck is a Senator with a national reputation. He is the proud possessor of a blue grass farm which he may be able to show you if you go to the top of the bill, and to which he will certainly invite you if you go down to the table below there and drink with him. He likes "lim" Beck and he likes 'Joe," indeed, the sturdy men like everybody who don't run counter to their prejudices.

But doubtiess you have heard enough of all this and want to go down and mingle fried birds and oysters and coffee, and the chant of the negroes coming up from the

The savory smell that was wafted from the hollow where the cauldron boiled and grew stronger and stronger as the sun apcooking was going on, a long table was swedes daily. fixed up, covered with a dazzling white cloth, and in a very short space of time was greaning under the weight of good things that were put on it. Birds of all sizes and cooked in all styles; oysters raw and oysters fried and oysters stewed; tender lamb and delicate beet; great rounds of bread—everything was on that big style which is so essentially Kentuckian. Col. Barbour's eyes fairty shone as he saw so many birds and thought how in days cone by he had trod bili and dale, gun on shoulder, hunting them. There was a keen appetite in the breeey sir, an inviting look in the heaps of snugly cooked brown birds in the game, in the bread, in the cleanly ness and above all, in the jolly hearted crown. But all things must have an end, and there did at last come a time when
