To-morrow Zack will get his papers. I'm down on cheap

labor, anyhow. Come up, boys, and take a small libation with me. Birds in the Blift ands.

A correspondent from Chicago says reports from various parts of the coun try indicate a varied game prospect. Nearly everywheer, however, the result of the late storms and floods seem disastrous for quail. From Peoria comes word that the quali are not killed off as yet. Bloomington sends word that the quail are starving by whole coveys. The weather February 5 was very severe on them. There will be no quail this season in Northern Indiana, Reports from Jerseyville, Ill., say that there will soon be plenty of ducks there with present temperate weather. There will be good feeding on the Illinois bottom caused by the weevil scare about planting soon. Reports majeate that ducks are moving northward. At Winona, Wis., the snow has been over a foot deep, and the thermometer has been below zero all along, and there is little hope for the quail. A correspondent to the Field from Corinth, Miss., says: Ducks are reported plenty on the Tennessee River, sixteen unles north of here, and they will move north on this weather. We will have spipe soon, There has not been a duck in the strem near this town this winter, as far as I find something adapted to their cultivation can learn, although the must is very etc., and by being a little careful, can douabundant-beech, pine, oak and all other varieties." The poor bob White has been found frozen in bunehes where they huddled together in the fields near Lyons, Iowa, Dayton, Iowa, and Roadhouse, Ill., report the same

Foreign mechanics seem generally to agree that shape and dimensions of a propeller for vessels is for the most part a matter of cut and try-as they say, more pitch, less pitch, greater area, more diameter, less dismeter fewer blades, or more blades, are all changes that at some time blades, are all changes that at some time and a half to two conces to a gairon of or other are made upon screws that do not water, and splided with a sprinkler, will put in a layer of pork seasoned with dissolved in half a wineglass of water, and pepper, salt and nutmeg or mace; next then quietly supped, the whole quantity lem of screws for steamships would be greatly simplified if the modeling of the for this nuisance, but a special fertilizer ered with about an ounce of white suvessel for which the propeller is intended in stimulating an increased growth of gar; then more pork, and so on; stick has been simply wonderful. A person were taken more into consideration. The plant. bind of norse a man puts to an ash curt is very different from that which he harnesses to his carriage, The screw, in itself,

An old physician, retired from practice, having had placed in his hands by an East India missionary the formula of a simple regetable remedy for the speedy and permanent cure of Consumption, Bronchitis, Catarrh, Asthma and all throat and Lung Affections, also a positive and radical cure for Nervous Debility and all its wonderful curative powers in thousands of cases, has felt it his duty make it known to his suffering fellows. by this mouve and a desire to relieve hu-man suffering, I will send free of charge, to all who desire it, this receipe, in German, French or English, with full directions for preparing and using. Sent by mail by addressing with stamp, naming this paper, W. A. Noyes, 149 Power's Block Rochester, N. Y.

Recent tests of yarn made from differ ent hemps gave the following relative average strength: Macila, 245; Italian, 221; New Zealand, 145; Russian, 128. Manilla is evidently the yarn to be hanged with.

*Many ladies who had scarcely enjoyed the luxury of feeling well for years have been so renovated by using Lydia Pinkham's Vegetable compound that they have rumphed over the ills flesh is said to be eir to, and life has been crowned with the added charm of a fresher beauty.

FRUIT SUTTER OF a plum pudding made with butter instead of suct, is a suitable dessert for this luncheon.

A Quick Recovery.

It gives us great pleasure to state that the merchant who was reported as being at the point of death from an attack of Pueumonia, has entirely recovered by the use of Dr. Wm. Hall's Balsam for the Lumes. Naturally he feels grateful for the benefits derived from using this remedy, for the lungs and throat; and in giving publicity to this statement we are actuated by motives of public benefaction, trusting that others may be benefited in a similar manner.

FIFTY CENTS A BOTTLE.

The above is a good like ham, of Lyan, Mass, who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents leve to call her. She is maiously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady of a life-study, and is obliged to keep six hely assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a modicine for good and not evil purposes. I have personally invasigated if and answalfeled of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much note. It will core entirely the worst form of failing.

pain. It will core entirely the worst form of falling of the uterus, Leaverhors, irregular and painful Menstruction, all Owerlan Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life," The Change of Life."

It permeates every portion of the system, and gives now life and vigor. It removes faintness, faintness, faintness, detroys all craving for attendants, and relieves weaktoos of the stomach. It cores Bloating Electron Nervous Prostration, General Debility, Steephennes, Depression and Indigestion. That feeling of bearing down, excelling pain, weight and backache, is always

ermanently sured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only \$1 per bothe or six for \$5, and is sold by drugglets. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetalle Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lyan, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.
