HE who can conceal his joy is greater than he who can conceal his griefs.

COLORIESS AND COLD -A young girl deeply regretted that she was so colorless and cold. Her face was too white, and her hands and feet felt as though the blood did not circulate. After one bottle of Hop Betters had been taken she was the rosiest and healthiest girl in the town with a vivacity and cheerfalness of mind gratifying to her friends.

Bur how is it possible that men will take warning when they will not even be advised?

A Splendid Remedy for Lung Disease terling invigorant and anti-febrile medicine ha-atted to ward off the complaint, when taken duly Dr. Bobert Newton, Inte President of the Ericci's College of the City of New York, and formeriy of Cin-College of the City of New York, and formeriy of Cin-chinati, Ohio, used Dr. Win, Hall's Ralsam very ex-tensively in his practice, as many of his patients new Rvine, and restored to leadth by the use of this invalu-able medicine, can simply testify. He always ead that so good a remedy sught not to be considered in rely as a patent methetine, but that is oright to be preseried fixedy by every physician as a soverchip councy in all cases of Lung Disease. It is a sure cure for Con-sumption, and has no equal for all pectoral cour-planets. a protection against malaria. Hundreds of hysicians have abandoned all the officinal specift chills and fever, as well as dyspersia vous affections. Hostetter's Butters is the For sale by all Droggists and Dealers generally
