are profusely decorated with mural paint

wiew of the Nile valley is most extensive.

Groups of palms dot the landscape and mark the site of distant villages; long sweeps of the majestic river are lost in the horizon to north and south, and from the foot of the mountains to the edge of the lost the winds over the driveway and cover it foot of the mountains to the edge of the lost the winds of the mountains to the edge of the lost the lost of the winds of the silk after sponging, and from it. view of the Nile valley is most extensive. scattered mins indicate the spot where alove, stood Antinoe, the city reared by Hadrian to the memory of his favorite, and close by the place where, as the story runs, the youth offered himself a sacrifice to the angry tates. Doubtless Antinous was duly fished out of the river and splendidly embalmed according to custom, but his hardsome face is embalmed more lastingly in the statue of the Capitoline and the numeration of the Capitoline and the numeration of the control of the statue of the Capitoline and the numeration of the control of the control of the family use and poultry, to say nothing of the family use that adors so many collections of the control o stood Antinoe, the city reared by Hadrian sculpture. Descending to the ruined village and entering a gorge in the hills you find among the excavations a rock temple cat, but for the unlucky party who kelled further trouble.

In the gathering gloom of night we terious coves not long since the favorite and daintiest of vegetables, but the haunt of the crocodile. Steamboats and very earliest. It is the most easily terious coves not long since the favorite Remingtons have driven the monster from raised, too, for it requires but one planthis latr, and he is only to be found now in Nubia, or piously mummified in some deep pit in the hills. Again the chiffs recede, destroyed by main force of maltreatthe river widens, and in a magnificent bend | ment, of the flood we make fast alongside the wharf of Siout or Assiont (everybody spells it to suit himself), the present terminus of the railway to the Soudan, about 250 miles from Caro, It is charmingly situated about a mile from the river on the west bank, in the midst of rich cardens, laxuriant fields and a forest of palms, There are about 25 000 inhabitants in Siout, and a great trade is done by caravan with the enterior. Handsome pottery of a brittle kind is made here, and pipes of Assioot manufacture are to be found at the end of every orthodox chibouque in the country. It was market day, and in the great square hundreds of young camels were standing for sale, amidst a Babel of people of all conceivable shades of color and every possible and impossible costume. The conscription for the new Egyptian army was also going on at the Pacha's residence, and there was loud wailing and guashing of teeth among the crowd that gathered and not only greatly improve the grass, both squatted round about the building. The unlucky men who were drawn to serve their country were chained together forth with and put in jul, lest they should evade the distinction thrust upon them before the authorities could dispatch them to Cairo for military manufacture. The unfortunate mothers and sisters of these heroes were in an agony of grief, tearing their garments, beating their breasts and heaping dust and mud upon their heads and faces. The spectacle was punful in the extreme, for although the lads are only taken for a tour years service, the grief of these poor women was as poignant as if they had been lost to them forever. In other places after this I had occasion to observe that where a son was taken to serve observe that where a son was taken to serve them quiet and well fed if you wish to Two ounces of socia in a quart of hot water makes a good wash for painted wood work preparatory to repainting. The fluish should be afterwards wiped in the army, he was formally mourned for many days by the mother and her sympa-

Shoals of Whitebait.

The shoales of whitebart are increasing in the lower bay, and, as this is their first visit to these waters, they are puzzling the fishermen. Immense quantities of dead sand weakfish are washed ashote. Gluttony seems to be the cause of their death. They devour whitebait until they choke, and they are found to be gorged with the tiny fish, which can be seen in their throats. They actually eat until they cannot shut their mouths. This season whitebait, if they last long enough, will boys are beginning to desert the sand worm mines and are taking to scapping kind, or any necessity for cleaning. whitebait, in the hope that it may prove a more profitable business; but they

Health of Body is Wealth of Mind

DR. RADWAY'S Sarsaparillian Resolvent.

Pure blood makes sound flesh, strong bone and clear skin. If you would have your flesh firm Radway's Sarsaparillian

Resolvent. A remedy composed of ingredients of extraor, than y medical properties, easential to purify, heal, repair and invigorate the broken-down and wasted body.—Quice, Planaant, Sara and Prantamer in its treatment and care.

No matter by what name the complaint may be designated, whether it be extracted, consumption, synilis, ulcers, sores, tumors, bodis, erysipels of the income.

The Sarsaparillian Resolvent

Not only is a compensating remedy, but secures the harmonious action of each of the organs. It establishes throughout the entire system functional harmony and supplies the blood vessels with a pure and healthy ourrent of new life. The Saus, after a few days use of the Saussparillian, becomes clear and beautiful. Pimples, blotches, black spots and skin eruptions are removed; sores and sicers sword cured. Persons suffering from scrotila, eruptive diseases of the eyes, mouth, cars, legs, throat and glands, that have accumulated and spread, either from uncured diseases or mercury, or from the use of corrows sublimate, may rely upon a cure if the Sarsaparillian is continued a sufficient time to make its impression on the system.

One bottle contains more of the active principles of Medicines than any other Preparation. Taken in teaspoonful doses, while others require five or six times as much.

One Dollar a Bottle

In from one to twenty minutes never falls to relieve Pain with one thorough application no matter how violent or excrudating the pain, the theumain, Bed-ridden, Infirm, Cripbled, Nervous, Neuralgic or prostrated with discase may enfort RADWAY'S READY RELIEF will afford instant case.
