out the figreest and most deler. mined gusts of wind and rain. Soon after that followed the murder of Vaughn Helton, by masked men, on the night of May 12, 1883, at his home in this county. This latter is the moving cause of the present troubles. John Helton procured an indictment for the murder of his son Vaughn, which was filed by the grand jary May 26, sgainst John Barnett, John Gibbs, Newton Yarber, Ellioit Wadkins, William, alues Boss Becraft, John Becraft, Nelson Wadkins and Mark Miller. But the people of Menitee, or many of them, have not much hope that the trial will develop sufficient information against the parties to punish them. Hence the sentiment in favor of lynch law became so strong that A. J. Ringo gathered a band and came here for the purpose of taking Barnett and several of his contederates out to hang them. He was repulsed by the guard of three men. The wounded sheriff. Ringo, who was st the head of the mob and was seriously wounded, is now in custody here. He says that Barnett has manufactured evidence to acquit him- est perfection. selt of all the crimes he has committed and can still do so, thus holding the coursy of Menifee in a state of terror. ## Eating Human Flesh.

Alfred Packer, the Colorado canmbal who, in the winter of 1874, killed and

ste the flesh of at least one man belonging to the prospecting party of which he was bimself a member, who was convic-ted of murdering the whole party, and sentenced to be hanged on May 19, and for whom a stay of proceedings was obtained, is likely to escape the gallows altogether by means of a legal technicality. In repealing the statutes which were in force when Packer's crimes were committed and enacting a new code, the Legislature failed to provide for cases in which capital sentence was likely to be imposed, and this, as it were, high, braced above and below. Oa wiped out all legal knowledge of them. It is said that the best lawyers in the State now think that the severest punishment which can be inflicted on Packer hundred feet each, a large, covered arm is a ten-vears' sentence under the man slaughter clause of the old statute, which the Legislature failed to amend.

We Should Help One Another.

Mr. NORMAN HUNT, of No. 169 Chestnut St.

"Having the afflection caused by kkin y and liver diseases, and after enduring the aches, pains, weakness and depression incident thereto until body and soil were nearly distracted, I sought for

relief and a cure from my trouble, and was told by a friend who had been cured by it himself, that

a friend was not been current by it minsent, to as the best and only sure cure was Hunt's Remedy, and upon his recommendation I commenced tak-ing it, and the first few doses improved my condi-tion in a very marked manner, and a continuance of its use has justified all that my friends claimed

for it-that it was a sure and permanent cure for all diseases of the kidneys and liver. Several of

my friends in Springfield have used it with the

most gratifying results, and I feel it my duty as

well as a pleasure to me to recommend flunt's Remedy in the highest possible terms."
