A RARECHANCE To Buy a Large Tract of Good Land

at a Moderate Price: To a man who desires to make farming and stock-raising his business, this is the greatest bargain in Juniata county. Three Hundred Acres and more, having thereon a large Brick Dwelling House in good condition, Barn and other outbuildings; a running stream of water near the Orchard of 8 acres, as good as any in the county; a grove of 50 maple trees, which, and as such groves are in New England. produce 40 to 50 tons of hay annually, and grow grain of all kinds. There is an abun-

dance of LIMESTONE on the farm. We repeat, this is the greatest bargain now offered in this county, to the man who has energy, and desires to farm and raise stock. To such a man, who has a moderate sum of money for first payment, there is a rare chance to secure a property, that in the nature of things must increase in value gradually, for the period of a full genera-

Time, 5 to 7 years, to suit purchaser. If you have the inclination, the means, and the pluck to develope one of the finest tracts of land in the county, call at this of-
