The Philadelphia Record remarks: The arrest of a country Postmaster for failing to deliver a newspaper package will doubtless have the salutary effect of causing more care in the handling and distribution of the newspaper mails. The McVeytown Journal asks, "will the boys read this?" Two sons of Geo. Cox, of Oliver twp., ran away from home last Friday, their father thinking they had gone to their grandmother, in Mill Creek, took the Pacific Express for that place Saturday morning, but found on his arrival that they had not been there. Last week there was published an account, in this paper, of the breaking of an oats garner in Minn., and of how the oats smothered a number of threshers. There was a Mifflin county man among the smothered ones. On Sunday forenoon, Henry Buck, from Cumberland county, N. J., while passing along the top of a car of a stock train, in which he had two cars loaded with live hogs, that he had bought at Chicago, was struck by the coaling bridge and knocked down on the bumpers, between two cars, and there his left arm was so crushed that amputation became a matter of necessity. The arm was amputated at the shoulder joint. Drs. Crawford, Banks, and Sandoe, performed the surgical operation. Mr. Buck is at the railroad house, kept by Johnny Hays. He, it appears, is an Odd Fellow. The membership of that order in this community have interested themselves in his behalf, and he will be made as comfortable as his bodily suffering will permit.

Mrs. Harriet Kerchner, widow of Reuben Kerchner,, who died a few weeks ago after a long illness, was found dead, hanging by her neck, to a tree, about a half mile from her home, in Delaware township, on Tuesday morning, the 16th inst. On the evening previous she and the people of her household, which consisted of herself, a hired girl, a young man and a little girl, retired for the night, the girl sleeping with Mrs. Kerchner. She had requested the girl to leave the light burn. At what hour she left the house is not known. The household did not awaken till about daylight. The mistress of the house was missing, and all turned out to look for her, at that juncture, Mr. Carwell came there and informed them that she had been found, as above stated. She had been found by a neighbor, who passed along the road about day break. It is conjectured that she took her life early in the evening, as the frost was thick and white on her clothing. She stood on a bank to fasten the rope to a tree, and must have been straightened to her full height when she placed the noose around her neck, for her kneds were but little bent when she was found. Interment at Thompsontown, on Thursday.

An Old Soldier's EXPERIENCE.

"Calvert, Texas, May 3, 1882.

"I wish to express my appreciation of the valuable qualities of

Ayer's Cherry Pectoral

as a cough remedy.

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for some remedy, I was urged to try AYER'S CHERRY PECTORAL.

"I did so, and was rapidly cured. Since then I have kept the PECTORAL constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases. J. W. WHITLEY."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

DR. JOHN BULL'S Smith's Tonic Syrup

FOR THE CURE OF

FEVER and AGUE

Or CHILLS and FEVER,

AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PERMANENT cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

BULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections—the King of Blood Purifiers.

DR. JOHN BULL'S VEGETABLE WORM DESTROYER is prepared in the form of candy drops, attractive to the sight and pleasant to the taste.

SENSIBLE MEN and women know ere this that of the many diseases and derangements of the body each a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foisted upon the public claiming to cure all of a number of diametricly different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE and people of moderate means, and even people well to do or wealthy find that the *enormous charges* of practising physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer *Wheeler's No. 96 Sure Remedies* to the sick and suffering *one Remedy* for each disease, without for a moment claiming that one remedy will cure any other disease than the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to *refund the money* paid in every instance where a cure is not positively effected. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which they are perscribed.

RHEUMATISM, Gout, Lameness of Joints, Sciatica and Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatism Remedy. We say boldly that in the worst of cases of no matter how *long standing*, how *serious* or how *painful*, we can not only give relief but *positively cure* for all time. Failing to do this we will positively refund the money paid for the treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other than these guaranteed remedies. The price of Wheeler's No. 96 Rheumatism Remedy is only 50 cents, obtained from druggists or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN. Many a lady endowed by nature with a pretty face, beautiful figure, faultless complexion, as well as the sweetest of tempers and faultless mental qualities grows prematurely old, grav and wrinkled, her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eye, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous fractiousness makes life a burden, things that once were trifles worry her till life becomes unbearable. All this being caused by a physical derangements so common to woman, which the inmate modesty of feminine nature prevents their making known, and of which the *ignorance* of the medical profession prevents a cure. *Lady Reader, pause* and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of these troubles and once more feel the glow of perfect health and spirits that nature intended for you. *Wheeler's No. 96 Prescriptions* are pleasant and palatable to take containing nothing of an injurious nature, and may be taken by all ages at all times and in all condition *without possibilty of ill effects*, and will positively cure any of the peculiar diseases to which females are subject. Failing to produce a perfect cure the proprietors will *refund the money* paid for the treatment. *If you have a swallow complexion*, constant or intermittant headaches, backache restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by headaches, nervousness, hysterics and similar symptoms, *Wheeler's No. 96 Prescription "B"* will positively restore you to health. If you have a sensation of heat and throbbing in the back, frequently fainting spells, Leucorrhea or white discharge, painful or scalding sensation in urinating, reddish or white deposit in urine, hot and dry skin, *Wheeler's No. 96 Prescription "C"* will give immediate and lasting relief. The price of Wheeler's No. 96 Perscription "B" and "C" are 50 cents each, obtainable from druggists or sent by mail secure from observation post paid on receipt of price. Postage stamps taken.

CATARRH. It is nedless to describe the symptons of this nauseous disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the poisonous nasal discharges, the fetid breath and general weakness, debility and languor, aside from the acute sufferings of this disease, which if not checked can only end in *loss of palate, hoarseness, weakned sight, loss of memory, deafness and premature death* if not checked before it is too late. Labor, study and research in America, Europe and Eastern lands have resulted in *Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh*, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic catarrh or money refunded. *Wheeler's No. 96 Instant Relief and Sure Cure for Catarrh* will cure every case of catarrh, hay fever or asthma, price $1.00 per package, from druggists or sent by mail post paid on receipt of price.

MANHOOD

How Lost, How Restored.

Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the *radical cure* of SPERMATORRHŒA or Seminal Weakness, Involuntary Seminal Losses, IMPOTENCY, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, CONSUMPTION, EPILEPSY and FITS, induced by self-indulgence or sexual extravagance, &c.

The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and *radically*.
