DR. JOHN BULL'S Smith's Tonic Syrup FOR THE CURE OF

FEVER and ACUE Or CHILLS and FEVER. AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and PERthe SAFE, CERTAIN, SPEEDY and PER-MANENT cure of Ague and Fever, or Chills and Fever, whether of short or long stand-ing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the direc-tions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole fami-lies have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued more certain to cure, if its use is continued in smaller doses for a week or two after the disease has been checked, more especially in difficult and long-standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the patient, however, require a cathartic medicine, after having taken three or four doses of the Tonic, a single dose of BULL'S VEGETABLE FAMILY FILLS will be sufficient.

BULL'S SABSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections—the King of Blood Purifiers. Bleed Purifiers.
DR. JOHN BULL'S VEGETABLE WORM DESTROYER is prepared in the form of candy drops, attractive to the sight and pleasant to the taste.
