Some of the newspapers are holding their publication for election news. Well, they may, but there is nothing in that, for the reason that few people outside of politicians take an interest in this election, and because, it will take at least 4 or 5 days to arrive at anything like what the vote of the State is.

In a recent breach of promise case, of an Ohio man one of his love letters was so long that it required 32 cents postage, and it was so sweet in its expression that the word darning appeared in it 620 times. Mary Anderson, an American girl, an actress now across the sea, has become famous by telling the eldest son of Queen Victoria, that his acquaintance was an honor that she did not seek. Most girls, and married ladies too, would sit up a whole night or two for an introduction to the prince. A large black bear has been seen on one of the lower farms, in Fernanagh township, within the past week. "Why, my dear," mildly suggested her husband, "the next door neighbor moved out two weeks ago, you know, consequently you have devoted about three days' less time to sweeping over the back fence with the wadded mat next door." The week of prayer, for 1884, commences with the first Sunday in the year, January 6, and the general arrangement of topics is as follows: Monday, January 7, praise and thanksgiving; Tuesday, January 8, confession of sin and prayer for cleansing and renewal; Wednesday, January 9, pray-

er for families and instructors of youth; Thursday, January 10, prayer for the church of Christ; Friday, January 11, intercession for the nations; Saturday, January 12, prayer for missions at home and abroad. This is the general series of topics, and sub-divisions may be made according to the wishes of visitors and churches.

The Selingsgrove Times of October 25 says: "In the last will and testament of Jonathan K. Ulrich, late of this borough contained adequate provisions for his legal representative, and in accordance therewith the farm was parceled out. The property was surveyed and divided into six tracts. Six cards were taken and numbers from 1 to 6 inclusive written on them, they were then placed in sealed envelopes after which they were placed in a bucket and Johnnie Gembling blind-folded, drew out the envelopes handing the first one to Hiram, the oldest child, and continuing to draw and hand them to the children according to age, until they were all drawn. The different tracts were numbered to correspond with the numbers on the cards. When the envelopes were opened it was discovered that Hiram had drawn 14 acres and 95 perches in the northern part of the tract, formerly belonging to the old George Ulrich farm, Fred. B., the same amount of land including the old meadow; James had drawn 12 acres and 81 perches each and the barn, and they are also to receive in cash the value of the difference of the acreage. Dan receives the meadow land, and Lydia the triangle south of the road and tenant property. All of the heirs are well pleased that the homestead fell where it did, since Fred has farmed the land and resided in the homestead for about sixteen years. We cannot help but admire the class in which the will was drawn, and that in any of the questions shall resort to litigation upon any question pertaining to the division or settling up the estate, he or she, shall be debarred from receiving one cent out of the estate. Past experience proves this to be a wise clause, and persons making wills would do well to insert it in their wills. All of the Ulrich heirs are well satisfied as to the fair and impartial manner the division was made."

Tribute of Respect. ACTION OF THE FREDERISTIAN SABBATH SCHOOL, OF MIFFLINTOWN, ON THE DEATH OF LARA C. HAMILTON.

The following preamble and resolutions were adopted on Sunday, October 28, 1884: Whereas, it has pleased Almighty God to call to his heavenly home, on the 27th inst., by death our young friend, Lara C. Hamilton, a member of the Mifflintown Presbyterian Sabbath School.

Resolved, That the death of the school has lost a bright and affectionate pupil, who by her many beautiful traits of character, Christian zeal, and faithful attention to the work of the Sabbath school, has been a blessing and comfort to the hearts and lives of all with whom she came in contact.

Resolved, That as a Sabbath school worker and student, she was always prompt, diligent and earnest, and a member of the church, she was zealous and consistent, and her Christian life, though short, was a finished one.

Resolved, That we tender our sympathy to the afflicted family, and pray that our merciful Heavenly Father may bestow his richest mercies to comfort them in their bereavement. She has gone to that Sabbath school and career, as well as to that world, who, whilst he was on earth, said: "Suffer little children to come unto me, and forbid them not, for of such is the kingdom of heaven."

Resolved, That these proceedings be spread upon the minutes of the school, and copies furnished the papers of the county for publication.

An Old Soldier's EXPERIENCE. "I wish to express my appreciation of the valuable qualities of Ayer's Cherry Pectoral as a cough remedy."

"While with Churchill's army, just before the battle of Vicksburg, I contracted a severe cold, which terminated in a dangerous cough. I found no relief till on our march we came to a country store, where, on asking for a remedy, I was urged to try AYER'S CHERRY PECTORAL."

"I did so, and was rapidly cured. Since then I have kept the Pectoral constantly by me, for family use, and I have found it to be an invaluable remedy for throat and lung diseases."

Thousands of testimonials certify to the prompt cure of all bronchial and lung affections, by the use of AYER'S CHERRY PECTORAL. Being very palatable, the youngest children take it readily.

DR. JOHN BULL'S Smith's Tonic Syrup FOR THE CURE OF FEVER AND ACUE Or CHILLS and FEVER, AND ALL MALARIAL DISEASES.

The proprietor of this celebrated medicine justly claims for it a superiority over all remedies ever used for the cure of the SAFE, CERTAIN, SPEEDY and PAINLESS cure of Ague and Fever, or Chills and Fever, whether of short or long standing. He refers to the entire Western and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out. In a great many cases a single dose has been sufficient for a cure, and whole families have been cured by a single bottle, with a perfect restoration of the general health. It is, however, prudent, and in every case more certain to cure, if its use is continued for a week or two after the ague has been checked, more especially in difficult and long-standing cases. Should the patient, however, require a cathartic medicine, after having taken three or four doses of this Tonic, a single dose of BULL'S VEGETABLE FAMILY PILLS will be sufficient.

BULL'S SARSAPARILLA is the old and reliable remedy for impurities of the blood and Scrofulous affections—the King of Blood Purifiers.

DR. JOHN BULL'S VEGETABLE WORM DESTROYER is prepared in the form of candy drops, attractive to the sight and pleasant to the taste.

New Advertisements. SENSIBLE MEN and women know ere this that of the many diseases and derangements of the body each a separate cause or origin, and that each needs a different method of treatment in order to effect a cure, and a moment's reflection must convince that any of the quack nostrums foisted upon the public claiming to cure all of a number of diametrically different diseases must prove failures, even if we do not call them humbugs.

POOR PEOPLE! Men and women of moderate means, and even people who are well to do or wealthy find that the enormous charges of practicing physicians are a serious burden to them, and also find that after paying themselves poor that no benefit has accrued to them, that in fact they have thrown their money away. To overcome these evils we offer Wheeler's No. 96 Sure Remedy to the sick and suffering. A Remedy for each disease, without for a moment claiming that one remedy will cure any other disease, that the one claimed for it, and as these remedies have stood the test of years without a single failure, we agree to refund the money paid in every instance to the owner paid for positively effective treatment. The remedies are entirely vegetable, can do no harm, and will positively cure every disease for which they are prescribed.

RHEUMATISM, Gout, Lameness of Joints, Sciatica, Neuralgia are relieved at once and positively cured by the use of Wheeler's No. 96 Rheumatism Remedy. We say boldly that in the worst cases of no matter how long standing, how serious or how painful, we not only give relief but positively cure for all time. Failing to do this we will positively refund the money paid for our treatment, and if your sufferings are not positively stopped for all time you have not thrown your money away as you would on any other of these quack nostrum remedies. The price of Wheeler's No. 96 Rheumatism Remedy is only 50 cents, obtained from druggists or sent free by mail on receipt of price. Stamps taken.

SUFFERING WOMEN! Many a lady who has been afflicted with "wind-stomach" by nature with a pretty face, beautiful figure, fair complexion, as well as the sweetest of tempers and faultless mental qualities, has been ruined by "wind-stomach", her form loses its perfect contour, the complexion becomes sallow, the brightness leaves the eyes, a feeling of languor takes the place of the once buoyant spirits, an irritable nervous fractiousness makes its burden, things that at one time were trifles worry her till life becomes unbearable. All this being caused by a physical derangement, its removal to woman, which insures the modesty of feminine nature prevents their making known, and of which the ignorance of the medical profession prevents a cure. Ladies! Be wise, and consider, 'tis a duty you owe yourself, your family and your God, that you should cure yourself of this disease, and once more feel the glow of perfect health and spirits that nature intended for you. Wheeler's No. 96 Prescriptions are pleasant and palatable to take containing nothing of an injurious nature, and may be taken by all ages at all times and in all conditions without possibility of all effects, and will positively cure any of the peculiar diseases of which females are so subject. Failing to produce a perfect cure the proprietors will refund the money paid for the treatment. If you have a special complaint, constant or intermittent headache, backache, restlessness, loss of appetite, suppressions of monthly flow, or irregularities thereof accompanied by head-aches, indigestion, nervousness, and similar symptoms, Wheeler's No. 96 Prescription "B" will positively restore you to health. If you have a sensation of heat and throbbing in the face, frequent fainting spells, Leucorrhoea or white discharge, puffing or swelling, or any other of the above symptoms, Wheeler's No. 96 Prescription "C" will positively cure you. If you have a sensation of heat and throbbing in the face, frequent fainting spells, Leucorrhoea or white discharge, puffing or swelling, or any other of the above symptoms, Wheeler's No. 96 Prescription "C" will positively cure you. If you have a sensation of heat and throbbing in the face, frequent fainting spells, Leucorrhoea or white discharge, puffing or swelling, or any other of the above symptoms, Wheeler's No. 96 Prescription "C" will positively cure you.

It is needless to describe the symptoms of this malarious disease that is sapping the life and strength of only too many of the fairest and best of both sexes, old and young, suffering alike from the poisonous dripping in the throat, the fetid and general weakness, dizziness and languor, and the acute sufferings of this disease, which if not checked can only end in loss of palate, hoarseness, weakened sight, loss of memory, deafness and prostration, or, if not checked before it is too late, Labor, study and research in America, Europe and Eastern lands have resulted in Wheeler's No. 96 Instant Relief and Cure for Catarrh, a remedy which contains no harmful ingredients, and that is guaranteed to cure every case of acute or chronic catarrh or malarious fever. Wheeler's No. 96 Instant Relief and Cure for Catarrh will cure every case of acute or chronic catarrh or malarious fever.
