AND ALL MALARIAL DISEASES. The proprietor of this celebrated medieine justly claims for it a superiority over all remedies ever offered to the public for the SAFE, CERTAIN, SPEEDY and FEB-NANENT cure of Agne and Fover, or Chills and Fover, whether of short or long stand-ing. He refers to the entire Western and ing. He refers to the entire Westorn and Southern country to bear him testimony to the truth of the assertion that in no case whatever will it fail to cure if the directions are strictly followed and carried out In a great many cases a single dose has been sufficient for a cure, and lies have been cured by a single bottle, with a perfect restoration of the general health it is, however, prudent, and in every case more cortain to cure, if its use is continued in smaller doses for a week or two after the discars has been checked, more especially in difficult and long standing cases. Usually this medicine will not require any aid to keep the bowels in good order. Should the service of the standing cases. the pationt, however, require a cathartic medicine, after having taken three or four dozes of the Tonic, a single doze of BULL'S VEGETABLE FAMILY PILLS will be suf-

How Lost, How Restored. Just published, a new edition of DR. CULVERWELL'S CELEBRATED ESSAY on the radical cure of Spenmatoranges or Seminal Weakness, Involuntary Seminal Losses, Imporency, Mental and Physical Incapacity, Impediments to Marriage, etc.; also, Consumption, Epiters and Pirs, induced by self-indulgence or sexual extrav

agance, &c. The celebrated author, in this admirable Essay, clearly demonstrates, from a thirty years' successful practice, that the alarming consequences of self-abuse may be rad-ically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure him-self cheaply, privately, and radically.
