I had used the medicines prescribed by a physician of this place for a long time without benefit before I began to take your sensitive. I first heard of them by your advertisement in the Patriot of this place, and concluding to use them, I purchased a bottle of Pulmonic Syrup and Seawcod Tonie. They gave me great relief, and by the time I had used them up I felt aimest well. So I stopped using them for some time, but I seen found that the discuss was not broken up. I then got more medicine and continued using it until I was well.

My symptoms were continuous conta, high sweats, raising of master streaked with thood, accretion very large another at times. I wasse weak that I could not go up stairs without help, and we construct to the house for many weeks. I was very much reduced in firsh, and has no appetite, and nothing I at as seemed to digrat.

Woonsocket, E. I., June 1st, 1881. THE REV. JOSEPH S. LAME, PASTOR OF 18th Five years ago I was a great sufferer from Dyspepsia, Bronchial Affection and Pulmonary trouble. I tried many remodies without receiving any benefit. I was so that I thought many times that I should be com-bined to give up presching. I at last presured Dr. mick a respection, in a short time they restored inclu-ced health, and I have remained well to this day. I we then to have great currilive properties.

WHY I HAVE THE UTMOST CONFIDENCE IN DI J. H. SCHENCK AND HIS MEDICINES. During the past two years, my mother and brother ha or enought my lungs were sound, and hart I would see recover. In less than a week after this, I had anoth sewere hemorrhage. Thinking that my physicism ha made a mistake in my case. I consulted another dorfoller than the second of the thought my lungs affected, and prescribed for me fu a long time. I got no better under his treatment, in generally worse, My cough was very had no surrely gone, had sever put than two or three hours in another. My houghe was heavily could and i had a had taste in my mouth. That the headache almost all the time. Feeling that something runs be done. I at last concluded to consult with Dr. Schenek, the physician who, I think i have good reason to believe to be the heat in the treatment of lung disease. I went to his office in Boston, and was examined. He found my left lung quite hadly diseased, and my liver seriously affected. He told me that I could be cured if I would follow his directions. Of course I consented to do so, and I very seen any that my confidence in his ability was a livery seen any that my confidence in his ability was

These are the reasons way I telleve br. J. H. Schenck and his medicines, said he would do for me, and I believe to his medicines and care. Hudson, Mass., May 25th, 1881. DR. SCHENCK'S MEDICINES: MANDRAKE PILLS. SEAWEED TONIC.
