## Ayer's Sarsaparilla.

The following latter from one of our best-known Massachusetts Druggists should be of interest to every sufferer : --

RHEUMATISM. "Eight years ago I had an attack of Rheumatism, so so vere that I could not move from the bed, or dress, without help. I tried several reme-dies without much if any relief, until I took dies without much if any roled, until 1 does Aven's SansaranilLa, by the use of two bottles of which I was completely cured. Have sold large quantities of your Sansa-FANILLA, and it still rotains its wonderful popularity. The many notable cures it has effected in this vicinity convince me that it is the best blood medicine ever offered to the robble. F. Harmar" ublic. E. F. HARRIS."
