The liquor prohibitionists held a state convention at Harrisburg last week and nominated Barr Spangler, of Marietta, for State Treasurer, and raised a campaign fund of a thousand dollars there. Over three hundred delegates were present.

Viewed from the standpoint of the Democratic leaders...

The Democratic convention may count it as a big joke, to try and make it appear that the light in the courts between railroad men is a contest between the Democratic and Republican parties.

It is not many years ago since the Democracy were reading their clothing and tearing their hair about the national constitution and at the same time their leaders had it under their feet and were carrying on the war whoop of rebellion over its broken fragments.

Rev. Thomas Sherlock, Methodist minister of Lock Haven, Pa., was seized with a hemorrhage on the morning of the 25th of August, while walking before breakfast on the beach at Ocean Grove, summer resort. Not appearing for breakfast at the Brunswick hotel, search was instituted, he was found dead in a position to which he was taken by strangers, who found him in the moments of extremity. Some years ago Mr. Sherlock preached here. He was not a strong and vigorous preacher, but his every day life while in this town did more for the cause of his master than pulpit deliverance.

There was a man named Turner, from Westmoreland county, President of the Democratic state convention last week. In his speech he declared that the Democracy believe in the eternal principles of the old Jefferson party. He forgot to throw General Jackson in along with Jefferson which was a shocking oversight of Mr. Turner. The convention should be recalled to give the President a chance to wedge Jackson in somewhere. He gave the corporations a tilt. Vanderbill and the Pennsylvania railroad, he said, forgot to tell that nearly all of the corporations that he complained of were organized under Democratic rule. He was like the Irishman who went out to club something bad, and finding nothing but his own he fell to clubbing his mule.

Communication FROM OUR SPECIAL CORRESPONDENT PORT ROYAL, August 30, 1885. Mr. Jacob Ziegler is repairing his home on west Main street.

Mr. John Lukens, one of our aged citizens is seriously ill. A new Sunday school library has been placed in the Presbyterian church.

A number of citizens have the malaria in our town. It has become a pest here. There was a great deal of unnecessary noise on our streets, late on Saturday night. The outlook for the Fair this fall looks promising. We know that it will be a success.

The band was out in full uniform on Thursday evening, and serenaded our citizens. S. E. Ard is now comfortably fixed in his new house. Mr. Ard has one of the finest houses in town.

Rev. Mr. Little, M. E. minister, at Concord charge stopped here on Monday night, on his way home. Miss Cora Prongh, of Harrisburg is having a pleasant time visiting at the residence of Thomas Taylor.

A great many of our citizens are talking of going to the Grangers picnic and the Harrisburg Centennial. Wm. Ziebel and wife, of Harrisburg, were visiting at the residence of his father, Mr. Jacob Ziegler, in this place.

Ephraim Rannels lost a horse by a disease which Dr. Graham pronounced, "fatly indigestion of the heart." The fat gathered on the heart and closed the arteries. Mr. and Mrs. Thomas McCulloch, and Messrs. John and Samuel McCulloch, all of Harrisburg, are enjoying a few weeks vacation at their home in Millport township.

The time for our Primary Elections is drawing nigh, and the candidates are around looking up their interests. We noticed quite a lot of them on the streets, one day last week. On Tuesday and Wednesday evenings, last, a so-called ball was held at the residence of Mrs. Charlotte Snyder. The so-called ball was quite a success, the amount raised, being about twenty dollars.

The L. E. Atkinson B. B. Club, of Millington, defeated the Aley Views last Wednesday afternoon, by a score of 9 to 7. The cause of the defeat was that most of the Aley Views boys did not know that there was to be a game. FAIR PLAY.

Cattle for Sale. Motzer & Thompson have on hand, all the time, fat cattle, stock cattle and tenders. Call and see them at Mexico. Seeing the Soul. A despatch from Lincoln, Neb., states that a scientist of that town has had testimony by the sight of his eyes of the existence of the human soul. The soul of man he has seen by the aid of a microscope. He says the soul is the exact counterpart of a man, the body being only the earthly shell. He has experimented with people who have lost a leg or arm, and in every case he has seen the spiritual arm or leg where the arm or leg of flesh should be.

Ladies' Missionary Meeting. The Ladies' Missionary Society of the United Presbyterian congregation met at the home of Miss Lizie Curran, at 2 o'clock P. After the usual religious exercises delegates were appointed to the Presbyterian S. M. S. which is to meet in Stone Valley, the last of September.

PYÆMIA

Is the most violent form of blood-poisoning. Low speedily fatal, but not less certainly so, is the violation of the blood of which the first symptoms are Pimples, Sties, Boils, and Catarrhs of Eruptions. When the taint of Scrofula gives warning of its presence by such indications, no time should be lost in using AYER'S SARSAPARILLA, the only perfect and reliable medicine for the purification of the blood.

SCROFULA

Is a foul corruption in the blood that rots out all the machinery of life. Nothing will eradicate it from the system and prevent its transmission to offspring but AYER'S SARSAPARILLA. This preparation is also the only one that will cleanse the blood of Mercurial poison, and the taint of Contagious Diseases. Impoverished blood is productive of

ANÆMIA

A wretched condition indicated by Pallid Skin, Flaccid Muscles, Shattered N
