Low Priced Fertilizers.

Low priced fertilizers are notalways the best. Baugh's \$25.00 Phosphate is the best and the cheapest fertilizer, for the simple reason that it gives as good results as articles that cost very much more money. No farmer can make a mistake who buys Baugh's Animal Bone Su per-Phosphate for \$25 per ton, in new bags, free on board car or boat at Philadelphia. Their address is No. 20 South Delaware Avenue, Philadelphia.
