The Harpooner's Story.

New Bedford, June 1, 1883.

Dr. J. C. Atran & Co.—Twenty years ago I was a harpooner in the North Pacific, when distinct of the crew and myself were laid up with scurry. Our budies were bloated, gunn awollen and bleeding, teeth loose, purple blotches all over us, and our breath seemed rotten. Take it by and large we were pretty badly off. All our time-julce was accidentably destroyed, but the taptain had a couple dozen bottles of Atran's Arrangamilla and gave us link. We recovered on it quicker than I have ever seen men brought about by any other treatment for Scurry, and I've seen a good deal of it. Seeing no mention in your Almanase of your Sarsspatilla being good for scurry, I thought you ought to know of this, and see send you the facts.

Respectfully yours, Ralph Y. Wingatz.
