Doeseh called the United States Senate by Lyning at the Judge's residence, and was six Ohio Senators and six Represent in his library. On being questioned tatives, as follows: Senators, Cable, as to his business Doesch advanced ing revolver placed it at Judge Liv-ingston's head. The Judge caught the man's arm and a desperate strugsistance arrived and Doesch was overpowered and arrested. A charge of felonious assault and battery was preferred against him, and he was committed in default of bail. Doesch formerly kept a disorderly saloon in this city, and Judge Livingston cancelled his license last April. Latterly he has been in the saloon business in Reading. Doesch, who is still under the influence of liquor, says he the boys get up a good entertainment. will shoot the Judge at the first op- January 16, 1886.

College Man in Politics.

The St. Louis Globe-Democrat in recent issue says: Those who in sist upon the value and necessity of collegiate influence in our politics can find but little comfort in the con-templation of the present facts in the duties of his appointment in his office, the first allowed at the rate of 8 per tout, on 6 months certificates, 4 per cent, on that connection. The President of Twenty-nine cadets failed to pass the Entended a college of any kind.

The Acting Vice President Laborated and 4 o'clock P. Z., of said day, when and pany on a better footing than it has the examination just held at West The Acting Vice President, John where all persons interested shall appear or Point. Of these two were in the first Sherman, is a graduate of the com- else be deburred from sharing in said fund. mon schools of Ohio. The Secretary of State, Thomas F. Bayard, never Annie Sullivan, a sixteen year old got farther than a Delaware rural girl living in Pittsburgh, subject to scademy. The Speaker of the House has actual value within itself, and fell into an open grate one day last is a self-educated man. Of the entire seventy four members of the Senate, only thirty are graduates of Jacob Machulis, of Schuylkill Co., colleges; and of these thirty only money, which has no value except has been sentenced to ten days im- twelve hold diplomas from instituprisonment and to pay a fine for tions of national reputation. In the keeping a gambling house, His of House, the ratio of college graduates fense was in allowing people to play to those who never had any coilege training is less than one to four, and the collegians are by no means the strongest and most influential men of the body-a statement which also Baldwis, Wis., Jan. 11 .- During applies to the relative standing and the temperary absence from his home power of the two classes in the Sen of John Gunderson, an employe of ate. The party leaders on both sides the Woodville Lumber Company, in both branches of Congress are Saturday night, his wife, after put nearly all men whose educational ting her youngest child to bed, left privileges, in the strict senses of the two others, one about five and the expression, were confined to the or-

peer of any other man in the nation as to political and legal wisdom and influence, never attended college a day in his life. The same is true of Washington, Jan. 11.-More than Senator Beek, who is probably the one-third of the bills introduced in most capable and forceful man on fectiveness (Mr. Ingalls) bails from the comparatively new and untutored State of Kansas, instead of stand ed Eastern States, as would seem to be most proper and consistent-and it is equally curious to note that one of the ripest scholars in the Senate (Mr. Morgan) comes from Alabama, and never enjoyed any school advan-

tages beyond those furnished by the humble academies of his native State. There is no warrant, of course, for of our legislators and other promingreat increase of such claims that ent political characters are not college graduates they must be uneducated men. As a matter of fact, many of them are excellent scholars. having overcome their deficiencies in WILMINGTON, January 12 -Wesley the college line by resolute and pains-

The Narpooner's Story.

Are Redord, June 1, 1888.

Dr. J. C. Arm & Co.—Twenty years ago I was a harpsoner in the North Pacific, when five sollars of the crew and rayself were laid up with terryy. Our bodies were bloated, glums smaller not biseding, beeth looks, purple blotches all were it, and dure breath seemed rotten. Take it by antilarge we were pretty hadly off. All our meeting was accidentable destroyed, but the restain had a comple dozen bottles of Arm's fancarametra and give its that. We recovered on it quicker than I have ever seen men brought about by any other treatment for Scurvy, and I've seen a good deal of it. Seeing no meating the process of this, and so send you the facts.

Respectfully yours, Raine Y. Wixeatz.

The Trooper's Experience.

Respectfully yours, RALPH T. WINEATE.

The Trooper's Experience.

Massen, Busutoland (S. Africa,) March7, 1883.

Dr. J. C. Afren & Co.—Gentlemen: I have much pleasure to testify to the great value of your harapa-villa. We have been stationed have for over two years, during which time we built in live in tests. Being under carus for such a time brought on what is called in this country "velid-acores." I had those some for some time. I was advised to take your Baraparilla, two bottles of which made my sores disappear rapidly, and I am now quite well.

Yours truly, T. K. Boden,

Trooper, Cape Mounted Riffeman.
