To continue their effect in constituted or chronic cases, they need only be taken in diminishing instead of increasing doses. For scames, and inf increasing doses. For scamen, and maintaints or travelers in Sparsely settled countries where physicians are not at hand, they are of inestimable value. There is hardly a sickness they will not lleviate, and in most cases cure, if taken promptly. To young girls just entering upon womanhood, and to women whose period of maternity is drawing to a close. Aver's Pills, in moderate doses, merely

sufficient to ensure regular action of the bowels, will be found of Incalculable Value. PREPARED BY
