HALL'S HAIR RENEWER produces its effects by the healthful influence of its vegetable ingredients, which invicoute and rejuvenate. It is not a dye, and is a delightful article for tollet use. Con-taining no alcohol, it does not evap-orate quickly and dry up the natural oil, leaving the hair harsh and brittle, as do other negrations. other preparations. Buckingham's Dye WHISKERS Colors them brown or black, as desired and is the best dye, because it is harmless being a single preparation, is more con-venient of application than any other.
