The North Americans say: In an interview given to a representative of The North American in this city June 19, Mr. Wolf said: "It is not necessary to be a temperance man in order to be a Prohibitionist." This is the sort of Prohibitionist he is. Drunkards can vote for that kind of prohibition. It is merely a matter of law, not of sentiment. There's nothing sentimental about Mr. Wolfe. He's entirely practical. Whether he will continue to charge \$25 for each speech advocating his own election we have not heard.

On Monday week before last, an eagle swooped down upon an eight-year old son of Joe Martin, of Hamilton township, Franklin county. The boy had walked to Centennial School House, in Hamilton township. While there the bird swooped down and seized him by the head, threw him to the ground, but did not hurt him, with exception of scratching him slightly. The Bloomfield Advocate of August 25 says: Two villains, named John Cronley and Chas. Burns, on Thursday last came to the home of Scott Hone, residing on one of the McCracken farms, Spring township, and in the absence of the male members of the family, committed an assault and battery on Mrs. Annasa Hone and Miss Anna Nussemaker, with intent to commit rape. Owing to the struggles of the women the assailants were foiled in their attempts, and becoming alarmed, beat a hasty retreat. When Mr. Hone learned of the assault he immediately started in pursuit and tracked the men to Carlisle, but was not able to overtake them. Information was made before Squire Cook of this place, on Monday, and Sheriff Shearer forthwith started for York, Pa., of which place they are supposed to be residents. It is hoped that the criminals will be caught and handed over to justice.

These men were in Bloomfield last Wednesday, peddling casineros, &c., and their manner became so insulting and contemptuous that the citizens of that place were ordered to leave town by Sheriff Cronley, which they did in order to escape being locked up. It is learned that they passed the night in Landburg and on the following day attempted the above mentioned crime.

Letter From Waterloo.

Dear Sir.—As I have been a subscriber to the SENTINEL since 1848, I think a letter from me may not be out of order. I became a citizen of Juniata county, February 9, 1847. I have lived in this village ever since, excepting six months, and have witnessed wonderful changes. From Concord to East Waterloo, a distance of ten miles, only two men are living and occupy the farms they did in 1847, they are, Mr. John Leonard and Mr. Samuel Ramsey, all the rest have died, except Colonel George Noss, who now lives in Virginia.

When I first came, and for a period of six years after, we went to the Lake to vote. I was the only white man in this village, but soon I got reinforcements and for a number of years it has been up and tug. Our Democratic friends here a little majority now.

The prospect for the hunting campaign is very good, and if a little gunnison and common sense had been exercised in framing our game laws the descendants of Nimrod just enjoy themselves to perfection. Just look for a moment at the game law as now in force. Squirrel shooting, September 1st; Deer, October 1st; Turkeys, October 15th; Rabbits, November 1st. The squirrel hunt starts forth on the 1st of

September, perhaps, without any intention of breaking the law, but a flock of turkeys are seen, and may be the half grown turkeys are left worthless before the first day for squirrel hunting expires, and when the 15th day of October comes around the law abiding citizen finds them so frightened and scattered, that although the hunting is as good as over, the catching of the game is a complete failure.

Now, just see how simple any law can be made to appear, if a little judicious common sense is brought to bear upon it. Let the game laws be altered at the session of the Legislature, so that it shall be lawful to shoot all kinds of game from the 1st day of October till the first day of January, then no one can have an excuse for carrying a gun in the woods before that time, and if we see to it that men of good sense are sent to Harrisburg, we will have laws enacted for us that we need not be ashamed of.

Yours Truly, E. M.

Sunday School Convention.

The Executive Committee of the Juniata County Sabbath School Association met at the office of E. B. McCrum, Aug. 23, 1886, J. N. Pomeroy, Chairman.

Several important items of business were transacted, as follows: The annual Sabbath School Convention is called to meet in the M. E. Church, at Millintown, on Wednesday, and Thursday, October 29 and 31.

The ministers of Millintown and Patton and the Secretary were appointed a committee to prepare a program for the Convention.

The Superintendents of the Sabbath Schools of the two boroughs, E. B. McCrum, chairman, were appointed a Committee of Arrangements to secure homes for the delegates.

Wm. Guss was appointed member of Executive Committee for Millertown, vice J. N. Kerr, deceased.

A. H. Weidman, T. H. Menninger and J. K. Robinson were appointed to make arrangements to lead the singing for the Convention. It was also decided to request the member of the Executive Committee for each township and borough to send the names of all Superintendents in their several districts with the name of school and post office address, to the Secretary, so that blanks can be sent to every school in the county, for statistics. We hope this will be attended to at an early day. Names of the Executive Committee: J. N. Pomeroy, Beale, Chairman; Samuel Back, Port Royal; A. D. Robinson, Turbett; C. C. Kios, Walker; T. H. Menninger, Millintown; E. Berner, Thompsonston; Joseph Rothrock, Fernagh; E. D. Kitch, Fayette; D. L. Keper, Delaware; Solomon Lauer, Monroe; D. B. Dinn, Greenwood; Rev. S. G. Dressler, Saquehana; J. C. Con, Spring Hill; Dr. S. A. Suloff, Patton; Wm. Guss, Millertown; W. C. Laird, Tascara; J. R. Wilson, Lark; John Alexander, Black Log.

May we not ask all persons interested in Sabbath School work to aid in making this the most successful convention ever held in the county. A. H. WEIDMAN, Sec'y.

People around here are smiling at the

third plank in the platform of the Democratic State Convention, where they speak of Gov. Pattison's "reform administration."

They are asking each other how much "reform" there is in binding down a Legislature for half a year in extra session, at the expense of the tax-payers, for the sole purpose of compelling them to Legislature a few more Democrats into Congress.
