ALFRED J. PATTERSON, JOB PRINTING OF EVERY KIND ILLUSTRATED History of RUSSIA

from the Earliest Times to 1877. By A. RAMBAUD. Translated by L. B. LANG. In two large 12mo volumes, Long Primer type, with numerous fine illustrations and maps. Fine cloth, gilt tops, Library style. Price reduced from \$18 to \$1.75. RAMBAUD'S is doubtless the best history of Russia in any language. Russian history begins almost in myth, proceeds into a wilderness of conflicting traditions, and emerges into a clear light only in comparatively recent times. It is studded with comes; striking events make it dramatic, the sufferings of a great people lend it pathos; the uncertain outlook for to-morrow invest it with deep interest. M. Rambaud puts the reader's mind fully in train to consider the situation of the hour.—Literary World, Boston, THE PERIOD covered is from the earliest to their needs. He interesting as told by M.
