Benjamin Jacobs and David E. Robison, on agance, &c.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years' successful practice, that the alarm ing consequences of self abuse may be radically cured; pointing out a mode of cure at once simple, certain, and effectual, by means of which every sufferer, no matter what his condition may be, may cure him-self cheaply, privately and radically. This Lecture should be in the hands of every youth and every man in the land.
