THE ELECTION.

The Election in Pennsylvania has resulted in a great Republican victory. Beaver's majority is no less than 45,000. The Legislature is Republican and from present information there will be a gain of Republican Congressmen, in the state. The entire Republican Ticket in the county has been elected excepting Judge Smith, and J. J. Patterson. There were certain circumstances operating against Smith which he could not overcome. HEARTLESS CRUELTY

it is to delude a poor sufferer into the belief that some worthless liniment will cure rheumatism and neuralgia. Honesty is the best policy in the manufacture of proprietary ar-ticles as in all other matters, and the fact that the proprietors of Athlophoros have never claimed for it even all its merit would warcust has not a little to do with its wonderful popularity, and the thousands of grateful testimonials received by them show that their policy has been wise as well as right. Experience has amply demonstrated that mere outward applications are worthless. The disease has its seat in the blood, and any remedy to be successful must deal with the obstructive acid which poisons and inflames it.

Athlophoros acts on the blood, muscles and joints directly. It takes the poison out of the blood and carries it out of the system; it invigorates the action of the muscles and limbers the stiffness of the oints. It reaches the liver and kidneys, cleansing them from irritating substances, and, if followed up after the rheumatic conditions cease, it will restore these organs to regularity and health.

West Chazy, N. Y., Aug. 19, 1886. Yours of August 14th, is at hand, and in reply would say that Athlophoros proved the most effectual remedy for neuralgia in the case of my son that I ever tried. After using half a bottle he was not troubled any more for six months.

Is dry and turns hard, until oil is applied, after which it moves easily. When the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sarsaparilla, by its action on the blood, relieves this condition, and restores the joints to good working order.

Ayer's Sarsaparilla has effected, in our city, many most remarkable cures, in cases which baffled the efforts of the most experienced physicians. Were it necessary, I could give the names of many individuals who have been cured by taking this medicine. In my case it has worked wonders, relieving me of Rheumatism,

after being troubled with it for years. In this, and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such relief as Ayer's Sarsaparilla.—R. H. Lawrence, M. D., Baltimore, Md.

Ayer's Sarsaparilla cured me of Gout and Rheumatism, when nothing else would. It has cradicated every trace of disease from my system.—R. H. Short, Manager Hotel Belmont, Lowell, Mass.

I was, during many months, a sufferer from chronic Rheumatism. The disease afflicted me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla. I took several bottles of this preparation, and was speedily restored to health.—J. Fream, Independence, Va.

FACTS vs. PREJUDICE Prejudice is hard to combat. It cannot be

overcome in a day. More than likely it wasn't formed hastily. Indeed it may have been gradually strengthening its hold for years. For instance, some folks believe Rheumatism cannot be cured. Their fathers believed so before them. So did their grandfathers:

Now, RHEUMATISM CAN BE CURED, notwithstanding this prejudice, but the trouble is to make people think so. The only way we know to meet popular un-belief issto state the PLAIN FACTS, and then present the POSITIVE PROOFS that they are facts. It is a fact that the RUSSIAN RHEUMATISM CURE not only relieves but banishes Rheumatic Pain. There is positive proof of it too. It comes from those who have suffered untold agony with Rheumatism and have been com-pletely cured by this remedy. All who have tried it have had this experience. Some of them permit us to print their testimony. It makes quite a little book, which we send free to any who are interested enough to ask for it. A complete Russian Rheumatism Cure, costs \$2.50. If mailed, 10c, additional, 1f registered, 10c, more. You'll never need but one, so the price isn't high. Who wouldn't give \$2.50 to get rid of Rheumatism? As yet it cannot be found at the stores, but can be ad only by enclosing the amount as above, and ddressing the American Proprietors. PFAELZER BROS. & CO. 819 & 821 Market St., Philadelphia,
