WHAT A GOOSE YOU ARE!

WHAT A GOOSE YOU ARE! You couldn't find in your heart as evidence in a breach of promise suit.

CHOCOLATE RUSSÉ

CHOCOLATE RUSSÉ.—One pound lady's-fingers, one quart cream, three-fourths cup powdered sugar, two teaspoonfuls vanilla or other extract; split and trim the cakes and fill neatly in the bottom with cream and raisins.

POTATOES AU GENEVOISE

POTATOES AU GENEVOISE.—Boil and mash a dozen potatoes, making them soft with milk and butter. Heat and form a cone in the center of the mound, and scoop out a cupful from the center of the mound.

CORN STARCH CUSTARD

CORN STARCH CUSTARD.—One quart of milk, four eggs, three tablespoonfuls of corn starch, five tablespoonfuls of sugar, a teaspoonful of butter, a little salt and nutmeg, scald the milk, wet up the corn starch with cold milk, salt it and stir into the boiling milk until it is thick and free from lumps.

DELICIOUS BELGAINS

DELICIOUS BELGAINS. Are made by putting some pieces of pineapple into a piece of a quarter of a dollar, and a size of an inch thick. Let these steep in a little run or brandy, sweetened with powdered sugar for one hour; then dip them in batter and fry them in boiling fat until they are a golden yellow and quite crisp.

COMPOSITE OF FRUIT

COMPOSITE OF FRUIT.—Place in a stewpan two pounds sugar with half a pint of water; let it dissolve, and boil for ten minutes, taking off the scum as it rises; then throw in about twenty-four gooseberries, twenty-four strawberries, twenty-four raspberries and several bunches of red and white currants; when all are in allow the composite to get cold; cut one dozen small sponge-cakes into slices, overlap them in a circle, and completely dry them with a spoon place the fruit in the centre of the dish; add the sirup and one glass of noreau over the sponge-cakes.

RECIPES FOR THICKENED MILK

RECIPES FOR THICKENED MILK.—Two quarts of milk, two eggs, one cup of sugar, one cup of starch, one cup of sugar, a little salt, flavor to taste. Dissolve the flour in a little cold milk; beat the eggs and mix the flour, eggs and sugar together, beating them up well. Set the milk on the fire, and just before it boils add the mixture and boil until thick.

BROWNED BUTTER

BROWNED BUTTER.—Put one-fourth pound of butter in a frying-pan over a clear fire; when the butter smokes have ready and throw into it, one tablespoonful of minced parsley, three tablespoonfuls of minced onion, and a little minced green pepper and mix together one minute longer. Most excellent upon fish either salt or fresh, or as a sauce for clams, quahaugs, lobster, scallops or oysters.

LEMONGRASS CAKE

LEMONGRASS CAKE.—One-half cup sugar, one teaspoon butter, one tablespoonful sweet milk, one cup flour, one teaspoon baking powder, three eggs. Bake in jelly tins. Then take two apples and one lemon, grate together with a little sugar, and spread between the layers.

A Prince in High Feather

A Prince in High Feather. Prince Carl, of Sweden, is six feet high and twenty-three years old, the favorite of the royal family, with broad shoulders, and a face of the classical type. His photograph is found in every window, on bottles of cologne, boxes of face powder, packages of candy, and everything else that will catch the eye of the women of Stockholm, who adore the handsome young Prince. He is democratic in his manner and a favorite of the people.
