Indicates a natural and healthy condition of the scalp, and of the glands through which nourishment is obtained. When, in consequence of age and dis-ease, the hair becomes weak, thin, and

gray, Ayer's Hair Vigor will strengthen it, restore its original color, promote its rapid and vigorous growth, and impart to it the lustre and freshness of youth. I have used Ayer's Hair Vigor for a long time, and am convinced of its value. When I was 17 years of age my hair began to turn gray. I commenced using the Vigor, and was surprised at the good effects it produced. It not only restored the color to my hair, but so stimulated its growth, that I have now more hair than ever before.—
