UNCLE SAM -True as I live, there's Johnnie Bull, with his fish, and the bull fighting Spaniard holding an interview, fixing things. Johnnie a mongrel, a cross of Danish, Dutch, or Saxon, and Norman, with the native British blood, and that has made him the cunningest thing that runs on two legs. He's a blustering bully, and never fights unless he has some strong nation to help him. He's just whispered mischief into that proud, bull fighting Spaniard, about trade interests in Cuba, until the bull fighter is out with his lance, almost ready to take a tilt at Uncle Sam. Well. Fancy Sammy, you'll have to be discreet with yourself, for Johnnie Bull, and the bull fighter together will make a fee that's not to be sneezed at and this playing at war is a dreadful piece of business at best, and when a nation, or a man goes out to battle, there is no foretelling the end. Johnnie Bull thinks that by getting the Bull Fighter to help him, he can get away with Uncle Sun and the fish business, and get his hooks more firmly fastened in the trade interests of Central and South America. Uncle Sammy don't want war, but if it comes, there's Canada, and Cuba, and Ireland. If Johnnie Bull, and the Bull Fighter are wise, they'll give up their conspiracy and resort to the ways of peace for the settlement of the trouble Uncle Sam's ports and navy are in no condition now to cope with the British navy with its 100 ton guns that could bombard our cities, and we could not reach their ships with our guns. If I could get an army of 100,000 of my boys on English soil I'd settle the business for Johnnie. But I'm for peace. The country does not want war.

Is dry and turns hard, until oil is applied, after which it moves easily. When the joints, or hinges, of the body are stiffened and inflamed by Rheumatism, they cannot be moved without causing the most excruciating pains. Ayer's Sareaparilla, by its action on the blood, relieves this condition, and restores the joints to-good working order.

Ayer's Sarssparilla has effected, in our city, many most remarkable cures, in cases which baffled the efforts of the most experienced physicians. Were it necessary, I could give the names of many individuals who have been cured by taking this medicine. In my case it has worked wonders, relieving me of

Rheumatism, after being troubled with it for years. In this, and all other diseases arising from impure blood, there is no remedy with which I am acquainted, that affords such

relief as Ayer's Sarsaparilla. - R. H. Lawrence, M. D., Baltimore, Md. Ayer's Sarsaparilla cured me of Gout and Rheumatism, when nothing else and Rheumatism, when nothing eise would. It has eradicated every trace of disease from my system. - R. H. Short, ase from my system. — R. H. Short nager Hotel Belmont, Lowell, Mass. I was, during many months, a sufferer from chronic Etheumatism. The disease affilieded me grievously, in spite of all the remedies I could find, until I commenced using Ayer's Sarsaparilla.
