A STARTLING FACT. It is not commonly known that a large roportion of the rheumatism and neuralgia extant is traceable directly to the diseased condition or imperfect action of the kidneys and liver; therefore a remedy which cures the resulting disease must have found and smitten the first cause.

Many persons using Athlophoros for rheumatism and neuralgia have been surprised to find that chronic disorders of surprised to find that chronic disorders of the liver and kidneys have also been greatly relieved and they have written for an explanation. The fact is, that the remedy acts directly on these organs, cleansing them from all irritating sub-stances and regulating their action. Taken in connection with Athlophoros Pills this is without exception the most valuable is, without exception, the most valuable kidney and liver remedy in the world, and will cure a large proportion of those who

have these disca Copake Iron Works, Copake, N. Y.
For the last five years I have been subject to severe attacks of rheumatism which
would cause me the most excruciating pain
in my chest; was obliged to put myself
under the doctor's care for two or three months at a time, and even then it was almost impossible to get any relief. The last time I was taken my son was at home, and I requested him to call the doctor, but he said he had heard of a new remedy but he said he had heard of a new remedy for rheumatism called Athlophoros and advised me to try it. I did and you can imagine my surprise, was relieved of all pain after taking one bottle and have not been troubled since. It saved me quite a sum of money, and what is better, I was not obliged to endure weeks of suffering; would not be without it in the house. Have recommended it to others and it never fails to give relief. L. H. PATTERSON.

Scrofula

Is one of the most fatal scourges which afflict mankind. It is often inherited, but may be the result of improper vaccination, mercurial poison, uncleanliness, and various other causes. Chronic Sores, Ulcers, Abscesses, Cancerous Humors, and, in some cases, Emaciation and Consemption, result from a scrofulous condition of the blood. This disease can be cured by the use of Ayer's Sarsaparilla. I inherited a scrofulous condition of the blood, which caused a derangement of my whole system. After taking less than four bottles of Ayer's Sarsaparilla I am

Entirely Cured and, for the past year, have not found it necessary to use any medicine whatever. I am now in better health, and stronger, than eyer before.—O. A. Willard, 213 Tremont st., Boston, Mass.

I was troubled with Scrofulous Sores for five years; but, after using a few bottles of Ayer's Sarsaparilla, the sores healed, and I have now good health.— Elizabeth Warnock, 54 Appleton street, Lowell, Mass.

Some months ago I was troubled with Scrofulous Sores on my leg. The limb was badly swollen and inflamed, and the sores discharged large quantities of offensive matter. Every remedy failed until I used Ayer's Sarsaparilla. By taking three bottles of this medicine the sores have been healed, and my health is restored. I am grateful for the good it has done me. — Mrs. Ann O'Brian, 158 Sullivan st., New York.
